Export Trade Certificate of Review

AGENCY: International Trade Administration, Commerce.

ACTION: Notice of Initiation of Process to Revoke Export Trade Certificate of Review No. 83-00024.

SUMMARY: The Secretary of Commerce issued an export trade certificate of review to U.S. Export & Trading Company. Because this certificate holder has failed to file an annual report as required by law, the Department is initiating proceedings to revoke the certificate. This notice summarizes the notification letter sent to Export & Trading Company.

FOR FURTHER INFORMATION CONTACT: Morton Schnabel, Director, Office of Export Trading Company Affairs, International Trade Administration, (202) 482-5131. This is not a toll-free number.

SUPPLEMENTARY INFORMATION: Title III of the Export Trading Company Act of

1982 ("the Act") [15 U.S.C. 4011-21] authorizes the Secretary of Commerce to issue export trade certificates of review. The regulations implementing Title III ("the Regulations") are found at 15 CFR part 325. Pursuant to this authority, a certificate of review was issued on July 25, 1995 to Export & Trading Company.

A certificate holder is required by law (Section 308 of the Act, 15 U.S.C. 4018) to submit to the Department of Commerce annual reports that update financial and other information relating to business activities covered by its certificate. The annual report is due within 45 days after the anniversary date of the issuance of the certificate of review (Sections 325.14 (a) and (b) of the Regulations). Failure to submit a complete annual report may be the basis for revocation. (Sections 325.10 (a) and 325.14 (c) of the Regulations).

The Department of Commerce sent to Export & Trading Company, on December 13, 1999, a letter containing annual report questions with a reminder that its annual report was due on February 6, 2000. Additional reminders were sent on May 2, 2000 and on July 19, 2000. The Department has received no written response to any of these letters.

On November 17, 2000, and in accordance with Section 325.10(c)(1) of the Regulations, a letter was sent by certified mail to notify Export & Trading Company that the Department was formally initiating the process to revoke its certificate. The letter stated that this action is being taken because of the certificate holder's failure to file an annual report.

In accordance with Section 325.10(c)(2) of the Regulations, each certificate holder has thirty days from the day after its receipt of the notification letter in which to respond. The certificate holder is deemed to have received this letter as of the date on which this notice is published in the **Federal Register**. For good cause shown, the Department of Commerce can, at its discretion, grant a thirty-day extension for a response.

If the certificate holder decides to respond, it must specifically address the Department's statement in the notification letter that it has failed to file an annual report. It should state in detail why the facts, conduct, or circumstances described in the notification letter are not true, or if they are, why they do not warrant revoking the certificate. If the certificate holder does not respond within the specified period, it will be considered an admission of the statements contained in the notification letter (section 325.10(c)(2) of the Regulations).
