II. Current Actions

This Notice proposes the clearance of the 2028–2032 IMLS Grants to States Program Five-Year State Plan Guidelines for State Library Administrative Agencies.

The Grants to States program is the largest grant program administered by IMLS, providing financial assistance to develop library services throughout the States, U.S. Territories, and the Freely Associated States. To receive funds under the Grants to States program, each established State Library Administrative Agency (SLAA) must submit to the Director of IMLS a Five-Year State Plan detailing certain goals, assurances, and procedures for a five-year period. 20 U.S.C. 9134(a). The upcoming five-year period will cover Federal fiscal years 2028–2032, with Five-Year State Plans due to IMLS on June 30, 2027. The Five-Year State Plan identifies a State's library needs, sets forth the activities to be taken toward meeting the identified needs supported with the assistance of Federal funds made available under the Library Services and Technology Act (LSTA), and provides assurances that the officially designated SLAA has the fiscal and legal authority and capability to administer all aspects of any award under the Grants to States program. 20 U.S.C. 9122(5). The Five-Year State Plan must also provide assurances for establishing the State's policies, priorities, criteria, and procedures necessary to the implementation of all programs under the LSTA. 20 U.S.C. 9122(5).
