

of the Act¹⁰ and Rule 19b-4(f)(6)¹¹ thereunder.

The Exchange has noted that the proposed rule change is identical to a proposed rule change recently approved by the Commission with respect to the NASDAQ Exchange¹² and has requested that the Commission waive the 30-day operative delay to ensure that NASDAQ OMX is able to implement the proposed rule change without undue delay. The Commission has determined that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because such waiver will enable NASDAQ OMX to implement the proposed rule change without undue delay in a manner consistent with a proposed rule change previously approved by the Commission.¹³

Therefore, the Commission designates the proposal operative upon filing.¹⁴

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
