SUPPLEMENTARY INFORMATION:

Postponement of Preliminary Determination

On January 28, 2010, the Department of Commerce ("the Department") published in the **Federal Register** the initiation of the antidumping investigation on drill pipe from the People's Republic of China (PRC). See Drill Pipe from the People's Republic of China: Initiation of Antidumping Duty Investigations, 75 FR 4531 (January 28, 2010) ("Initiation Notice").

The Initiation Notice stated that the Department would issue its preliminary determination for this investigation no later than 140 days after the date of issuance of the initiation, in accordance with section 733(b)(1)(A) of the Tariff Act of 1930, as amended ("the Act").¹

On May 14, 2010, Petitioners, VAM Drilling USA, Inc., Texas Steel Conversion, Inc., Rotary Drilling Tools, TMK IPSCO, and the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union, and AFL-CIO-CLC, requested a 50-day postponement of the preliminary determination pursuant to 19 CFR 351.205(b)(2) and (e). Petitioners requested a postponement of the preliminary determination in order to allow more time to collect and analyze information for the preliminary determination.

For the reasons identified by Petitioners, and because there are no compelling reasons to deny the request, the Department is postponing the deadline for the preliminary determination under section 733(c)(1)(A) of the Act by 50 days from the current deadline of June 16, 2010, to August 5, 2010. The deadline for the final determination will continue to be 75 days after the date of the preliminary determination, unless extended.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

¹ Due to the extended closure of the Government between February 5 and 11, 2010, all deadlines for active cases were tolled by one calendar week. Certain Preserved Mushrooms from Indonesia: Notice of Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT: David Goldberger or Kate Johnson, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230; telephone: (202) 482-4136 or (202) 482-4929, respectively.

SUPPLEMENTARY INFORMATION:

Background

On February 1, 2010, the Department of Commerce (the Department) published in the **Federal Register** a notice of "Opportunity to Request Administrative Review" of the antidumping duty order on certain preserved mushrooms from Indonesia for the period of review (POR), February 1, 2009, through January 31, 2010. See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 75 FR 5037 (February 1, 2010).

On March 1, 2010, in accordance with 19 CFR 351.213(b), the Department received a timely request from Monterey Mushrooms, Inc., a petitioner and a domestic interested party in the above-referenced proceeding, to conduct an administrative review of the sales of PT Eka Timur Raya (ETIRA), PT Indo Evergreen Agro Business Corp., PT Karya Kompos Bagas, and Tuwuh Agung PT. Monterey Mushrooms, Inc. was the only party to request this administrative review.

On March 30, 2010, the Department published in the **Federal Register** a notice of initiation of an administrative review of the antidumping duty order on certain preserved mushrooms from Indonesia with respect to these companies. See *Initiation of Antidumping and Countervailing Duty*

Administrative Reviews and Request for Revocation in Part, 75 FR 15679 (March 30, 2010).

On May 14, 2010, Monterey Mushrooms, Inc. timely withdrew its request for review.

Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of notice of initiation of the requested review. Monterey Mushrooms, Inc. withdrew its request for review before the 90-day deadline, and no other party requested an administrative review of the antidumping duty order on certain preserved mushrooms from Indonesia. Therefore, in response to Monterey Mushrooms, Inc.'s withdrawal of its request for review, and pursuant to 19 CFR 351.213(d)(1), the Department is rescinding the administrative review of the antidumping duty order on certain preserved mushrooms from Indonesia for the period February 1, 2009, through January 31, 2010.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after the date of publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility, under 19 CFR 351.402(f)(2), to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Order

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information

disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is published in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: May 27, 2010.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
