SUPPLEMENTARY INFORMATION:

Overview: This notice is issued by the National Coordination Office for the Networking and Information Technology Research and Development (NITRD) Program. In concert with the White House Office of Science and Technology Policy, agencies of the NITRD Program have identified three initial research and development (R&D) themes to exemplify and motivate future Federal cybersecurity game-change research activities: (a) Tailored Trustworthy Spaces, (b) Moving Target, (c) Cyber Economic Incentives. On Wednesday May 19, 2010, from 1:30 p.m.-5:00 p.m. PDT, representatives from the National Science Foundation, the Department of Homeland Security, and other agencies, will present the three themes at the Claremont Hotel, 41 Tunnel Road, Berkeley, CA 94705. This event will be webcast. For the event agenda, information about the webcast, and additional information, go to: <http://www.nitrd.gov/CSThemes.aspx>. This event will be the first discussion of these Federal cybersecurity game-change R&D objectives and will provide insights into the priorities that are shaping the direction of Federal research activities. Following this event, an on-line forum will be opened at <http://cybersecurity.nitrd.gov/> to provide an opportunity for comments and feedback.
