

inspection, or repair, unless, prior to the expiration of the vessel's 30-day drydock and repair period, the Agreement Holder obtains approval from MARAD for an extension beyond 30 days;

(vi) For any day in which the Agreement Holder does not, at the request of the Administrator, carry up to two United States Merchant Marine Academy cadets onboard; and

(vii) If the Agreement Holder does not operate or maintain the Fleet Vessel in accordance with the terms of the TSP Operating Agreement.

(2) To the extent that non-payment days under paragraph (c) of this section are known, Agreement Holder payments will be reduced at the time of the current billing. The daily reduction amounts will be based on the annual amounts in paragraph (a) of this section divided by 365 days (366 days in leap years) and rounded to the nearest cent.

(3) MARAD may require, for good cause, that a portion of the funds payable under this section be withheld if the provisions of § 294.23(a) have not been met.

(4) Amounts owed to MARAD for reductions applicable to a prior billing period must be electronically transferred using MARAD's prescribed format, or the amount owed can be credited to MARAD by offsetting amounts payable in future billing periods.

Subpart F—Appeals Procedures

§ 294.33 Administrative determinations.

(a) *Policy.* An Agreement Holder who disagrees with the findings, interpretations, or decisions of MARAD with respect to the administration of this part or any other dispute or complaint concerning the Agreement Holder's TSP Operating Agreement(s) may submit an appeal to the Administrator. The appeals must be made in writing to the Maritime Administrator, within 60 days following the date of the document notifying the Agreement Holder of the administrative determination of MARAD. Such an appeal should be addressed to the Maritime Administrator, Attn.: TSP Operating Agreement Appeals, Maritime Administration, 1200 New Jersey Avenue SE, Washington, DC 20590 or via email to sealiftsupport@dot.gov. An appeal is a prerequisite to exhausting administrative remedies.

(b) *DoD determinations.* 46 U.S.C. chapter 534 assigns joint and separate roles and responsibilities to the Secretary and the SecDef. The Administrator and the Commander will make joint and separate findings,

interpretations, and decisions necessary to implement 46 U.S.C. chapter 534. An Agreement Holder who disagrees with the initial findings, interpretations, or decisions regarding the implementation of 46 U.S.C. chapter 534—whether joint or separate in nature—must communicate such disagreement to MARAD. Any disagreement or dispute of an Agreement Holder may, where determined appropriate by MARAD, be transferred to the Director of Policy and Plans, USTRANSCOM for resolution. An Agreement Holder who disagrees with the findings, interpretations, or decisions of the Director of Policy and Plans, USTRANSCOM, with respect to the administration of this part, may submit an appeal to the Commander. Such an appeal must be made in writing to the Commander within 60 days following the date of the document notifying the Agreement Holder of the administrative determination of the Director of Policy and Plans. Such an appeal should be addressed to the Commander, United States Transportation Command, 508 Scott Drive, Scott Air Force Base, IL 62225–5357, or via email to transcom.scott.tccc.mbx.commander@mail.mil.

(c) *Process.* The Administrator, or the Commander in the case of a DoD determination, may require the person making the request to furnish additional information, or proof of factual allegations, and may order any proceeding appropriate in the circumstances. The decision of the Administrator, or the Commander in the case of a DoD determination, will be administratively final.

Update to Publication for Television Broadcast Station DMA Determinations for Cable and Satellite Carriage

AGENCY: Federal Communications Commission.

ACTION: Final rule.

SUMMARY: In this document, the Commission amends its rules to reference a new publication for use in determining a television station's designated market area (DMA) for satellite and cable carriage under the Commission's regulations. Under the Commission's current rules, television broadcasters, cable operators, and satellite carriers determine DMA for carriage election and other purposes by reference to the Nielsen Station Index Directory (Annual Station Index) in combination with the United States Television Household Estimates (Household Estimates), or a successor publication. Nielsen Media Research division will no longer publish the Annual Station Index and has replaced it with a monthly Local TV Station Information Report (Local TV Report), which is now the only publication necessary to determine a station's DMA. The Household Estimates publication is no longer in use. The *Report and Order* therefore revises the rules to identify the Local TV Report as that successor publication. The *Report and Order* also specifies the Local TV Report published in the October two years prior to each triennial carriage election as the successor publication to be used to determine a station's DMA, as well as for determining the local market of broadcast television stations more generally.

DATES: This rule is effective January 6, 2023.

Synopsis

On July 14, 2022, the Commission adopted a notice of proposed rulemaking (NPRM), seeking comment on referencing Nielsen's Local TV Station Information Report (Local TV Report) for use in determining a television station's designated market area (DMA) for satellite and cable

carriage under the Commission's regulations. Pursuant to the Act, and the implementing rules adopted by the Commission, commercial television broadcast stations are entitled to assert mandatory carriage rights on cable systems located within their market. Similarly, section 338 of the Act requires satellite carriers to carry on request all local television broadcast stations' signals in local markets in which the satellite carrier carries at least one local television broadcast signal pursuant to the statutory copyright license. A station's market for cable and satellite carriage is its DMA, as defined by The Nielsen Company's Annual Station Index and Household Estimates "or any successor publications." The implementing regulations also specify which edition of the Annual Station Index is to be used for each election cycle (specifically, the one published the year prior to the election).

The Nielsen Company has notified the Commission that its Nielsen Media Research division will no longer publish the annual Nielsen Station Index Directory (Annual Station Index), which has been used in combination with the Nielsen Station Index and United States Television Household Estimates (Household Estimates), to determine a station's DMA for local television stations seeking carriage. Nielsen has stated that the information contained in the Annual Station Index is now in the Local TV Report, which is published monthly. Thus, the Local TV Report is now the only publication necessary to determine a station's DMA. The Household Estimates publication is no longer in use.

Commenters unanimously supported amending our rules to eliminate the references to the Annual Station Index and Household Estimates and specify the Local TV Report as the successor publication to be used to determine a station's DMA. Thus, the references to the Annual Station Index and Household Estimates will be deleted and replaced with the Local TV Report in pertinent parts.

Commenters also unanimously requested that the Commission amend the rule to specifically reference the October Local TV Report published two years prior to each triennial carriage election, which is consistent with the Annual Station Index, which relied upon information gathered in the October two years prior to each triennial carriage election. Based upon the record support for this change, we amend the rule to specify that DMA determinations will be based on the October Local TV Report published two years prior to the triennial election.

This document does not contain information collection requirements subject to the Paperwork Reduction Act of 1995, Public Law 104–13. In addition, therefore, it does not contain any proposed information collection burden "for small business concerns with fewer than 25 employees," pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107–198, *see* 44 U.S.C. 3506(c)(4). The Commission has determined, and the Administrator of the Office of Information and Regulatory Affairs, Office of Management and Budget, concurs that this rule is "non-major" under the Congressional Review Act, 5 U.S.C. 804(2). The Commission will also send a copy of the *Report and Order* to Congress and the Government Accountability office, pursuant to 5 U.S.C. 801(a)(1)(A).

Provided, however, that a county deleted from a market by Nielsen need not be subtracted from a market in which a satellite carrier provides local-into-local service, if that county is assigned to that market in the 1999–2000 Nielsen Station Index Directory or any subsequent issue of that publication, or the Local TV Station Information Report commencing with October 2021, and every three years thereafter (*i.e.*, October 2024, October 2027, etc.). A satellite carrier may determine which local market in the State of Alaska will be deemed to be the relevant local market in connection with each subscriber in an area in the State of Alaska that is outside of a designated market, as described in paragraph (e)(2) of this section.
