Fairchild Semiconductor International Mountain Top, Pennsylvania; Notice of Revised Determination on Remand

On April 18, 2008, the U.S. Court of International Trade (USCIT) remanded to the Department of Labor (Department) for further investigation the matter

Former Employees of Fairchild Semiconductor Corporation v. United States Secretary of Labor, Court No. 06-00215.

In the January 11, 2006 petition for Trade Adjustment Assistance (TAA) and Alternative Trade Adjustment Assistance (ATAA), an official of Fairchild Semiconductor International (the subject firm) alleged that production of “discrete semiconductor devices” at Fairchild Semiconductor International, Mountain Top, Pennsylvania (the subject facility) “deteriorated because of a transfer of production” abroad and that its customers are “purchasing similar

devices from other suppliers with locations in foreign countries.” AR 3-4.

The initial investigation revealed that semiconductor wafers were produced at the subject facility during the relevant period, AR 27-28, 30, 42, that the subject facility shifted semiconductor wafer production to China, AR 27-28, and that the subject facility did not import semiconductor wafers after the shift. AR 7, 27, 59.

On February 28, 2006, the Department issued a negative determination regarding workers' eligibility to apply for TAA and ATAA for those workers of the subject facility. AR 41. The Department's Notice of determination was published in the **Federal Register**
