Federal Aviation Administration

Notice of Intent To Rule on Request To Release Airport Property at the Rocky Mountain Metropolitan Airport, Broomfield, Colorado

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of request to release airport property.

SUMMARY: The FAA proposes to rule and invite public comment on the release of land at the Rocky Mountain Metropolitan Airport under the provisions of Section 125 of the Wendell H. Ford Aviation Investment Reform Act for the 21st Century (AIR 21), now 49 U.S.C. 47107(h)(2).

DATES: Comments must be received on or before April 6, 2015.

ADDRESSES: Comments on this application may be mailed or delivered to the FAA at the following address: Mr. John P. Bauer, Manager, Federal Aviation Administration, Northwest Mountain Region, Airports Division, Denver Airports District Office, 26805 E. 68th Avenue, Suite 224, Denver, Colorado 80249-6361.

In addition, one copy of any comments submitted to the FAA must be mailed or delivered to Ms. Aubrey L. McGonigle, Airport Administration Manager, Rocky Mountain Metropolitan Airport, Broomfield, Colorado, at the following address: Ms. Aubrey L. FOR FURTHER INFORMATION CONTACT: Mr. Marc Miller, Colorado Engineer/Compliance Specialist, Federal Aviation Administration, Northwest Mountain Region, Denver Airports District Office, 26805 E. 68th Avenue, Suite 224, Denver, Colorado 80249-6361.

The request to release property may be reviewed, by appointment, in person at this same location.

SUPPLEMENTARY INFORMATION: The FAA invites public comment on the request to release property at the Rocky Mountain Metropolitan Airport under the provisions of the AIR 21 (49 U.S.C. 47107(h)(2)).

On December 30, 2014, the FAA determined that the request to release property at the Rocky Mountain Metropolitan Airport submitted by Jefferson County meets the procedural requirements of the Federal Aviation Administration. The FAA may approve the request, in whole or in part, no later than April 6, 2015.

The following is a brief overview of the request: Jefferson County is proposing the release from the terms, conditions, reservations, and restrictions on a 449 acre parcel of property acquired by Jefferson County on June 2, 1959. This property was transferred to the Jefferson County Airport Authority in April of 1966. With the dissolution of the Airport Authority in 1998, this property ownership was then transferred back to Jefferson County, as the airport sponsor, January 11, 1999. Elevation constraints of this parcel compared to the Runway environment makes it unusable for airport development. The property is currently undeveloped vacant land. The expected future use of the property is for non-aviation development associated with the Verve Innovation Park, as well

as the realignment of Simms Street to allow for more aviation development to the east. The proceeds for the disposal of the property will be at fair market value and the sponsor will utilize the revenue to reinvest into future airport development.

Any person may inspect, by appointment, the request in person at the FAA office listed above under **FOR FURTHER INFORMATION CONTACT**.

In addition, any person may, upon appointment and request, inspect the application, notice and other documents germane to the application in person at the Rocky Mountain Metropolitan Airport.

Issued in Denver, Colorado, on February 25, 2015.

John P. Bauer,

Manager, Denver Airports District Office.

SUPPLEMENTARY INFORMATION: The OCC is proposing to extend OMB approval of the following information collection:

Title: Recordkeeping Requirements for Securities Transactions—12 CFR parts 12 and 151.

OMB Number: 1557-0142.

Description: The information collection requirements in 12 CFR parts 12 and 151 are required to ensure that national banks and Federal savings associations comply with securities laws and to improve the protections afforded to persons who purchase and sell securities through these financial institutions. Parts 12 and 151 establish recordkeeping and confirmation requirements applicable to certain securities transactions effected by national banks or Federal savings associations for customers. The transaction confirmation information required by these regulations ensures that customers receive a record of each securities transaction and that financial institutions and the OCC have the records necessary to monitor compliance with securities laws and regulations. The OCC uses the required information in the course of its examinations to evaluate, among other things, an institution's compliance with

the antifraud provisions of the Federal securities laws.

The information collection requirements contained in 12 CFR parts 12 and 151 are as follows:

- 12 CFR 12.3 requires a national bank effecting securities transactions for customers to maintain records for at least three years. The records required by this section must clearly and accurately reflect the information required and provide an adequate basis for the audit of the information.

- 12 CFR 151.50 requires a Federal savings association effecting securities transactions for customers to maintain records for at least three years. 12 CFR 151.60 provides that the records required by 12 CFR 151.50 must clearly and accurately reflect the information required and provide an adequate basis for audit of the information.

- 12 CFR 12.4 requires a national bank to give or send to the customer a written notification of the transaction or a copy of the registered broker/dealer confirmation relating to the transaction at or before completion of the securities transaction and establishes minimum disclosures needed for a customer's securities transactions.

- 12 CFR 151.70, 151.80 and 151.90 establish the minimum disclosures required for a Federal savings association's confirmation of a customer's securities transactions.

- 12 CFR 151.90 requires a Federal savings association to provide its customers with a written notice of each securities transaction, which it must give or send to the customer at or before the completion of the securities transaction.

- 12 CFR 12.5(a), (b), (c), and (e) describe notification procedures that a national bank may elect to use, as an alternative to complying with § 12.4, to notify customers of transactions in which the bank does not exercise investment discretion, trust transactions, agency transactions, and certain periodic plan transactions.

- 12 CFR 151.100 describes notification procedures that a Federal savings association may use, as an alternative to complying with 12 CFR 151.70, 151.80 or 151.90, for an account in which the savings association does not exercise investment discretion, trust transactions, agency transactions, certain periodic plan transactions, collective investment fund transactions, and money market funds.

- 12 CFR 12.7(a)(1) through (a)(3) require national banks to maintain and adhere to policies and procedures that assign responsibility for supervision of employees who perform securities trading functions, provide for the fair
