

companies not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(e)(2) of the Act. However, Commerce normally determines the rates for non-selected companies in reviews in a manner that is consistent with section 705(c)(5) of the Act, which provides the basis for calculating the all-others rate in an investigation. Section 705(c)(5)(A)(i) of the Act instructs Commerce, as a general rule, to calculate the all-others rate equal to the weighted average of the countervailable subsidy rates established for exporters and producers individually investigated, excluding any zero or *de minimis* countervailable subsidy rates, and any rates determined entirely on the basis of facts available.

There are two companies for which a review was requested and not rescinded, and which were not selected as mandatory respondents or found to be cross-owned with a mandatory respondent. For these non-selected companies, because the rate calculated for the only participating mandatory respondent in this review, Ningbo Master, was above *de minimis* and not based entirely on facts available, we are applying Ningbo Master's subsidy rate to the two non-selected companies.

This is the same methodology Commerce applied in the *Preliminary Results* for determining a rate for companies not selected for individual examination. However, due to changes in the calculation for Ningbo Master, we revised the non-selected rate accordingly. Consequently, for both of the non-selected companies for which a review was requested and not rescinded, we are applying an *ad valorem* subsidy rate of 5.22 percent.

Final Results of Administrative Review

We determine find the net countervailable subsidy rates for the mandatory and non-selected respondents under review for the period January 1, 2020, through December 31, 2020, to be as follows:

Producer or exporter	Subsidy rate (percent <i>ad valorem</i>)
Ningbo Master International Trade Co., Ltd. ⁵	5.22
Review-Specific Average Rate Applicable to the Following Companies: Guangzhou Jingye Machinery Co., Ltd	5.22

⁵ Commerce finds the following companies to be cross-owned with Ningbo Master: Ningbo Major Draft Beer Equipment Co., Ltd. and Zhejiang Major Technology Co., Ltd.

Producer or exporter	Subsidy rate (percent <i>ad valorem</i>)
Guangzhou Ulix Industrial & Trading Co., Ltd	5.22
