

within five business days of publication of the order. Each annual inquiry service list will be saved in ACCESS, under each case number, and under a specific segment type called “AISL-Annual Inquiry Service List.”<sup>12</sup>

Interested parties who wish to be added to the annual inquiry service list for an order must submit an entry of appearance to the annual inquiry service list segment for the order in ACCESS within 30 days after the date of publication of the order. For ease of administration, Commerce requests that law firms with more than one attorney representing interested parties in an order designate a lead attorney to be included on the annual inquiry service list. Commerce will finalize the annual inquiry service list within five business days thereafter. As mentioned in the *Procedural Guidance*,<sup>13</sup> the new annual inquiry service list will be in place until the following year, when the *Opportunity Notice* for the anniversary month of the order is published.

Commerce may update an annual inquiry service list at any time as needed based on interested parties’ amendments to their entries of appearance to remove or otherwise modify their list of members and representatives, or to update contact information. Any changes or announcements pertaining to these procedures will be posted to the ACCESS website.

### Special Instructions for Petitioners and Foreign Governments

In the *Final Rule*, Commerce stated that, “after an initial request and placement on the annual inquiry service list, both petitioners and foreign governments will automatically be placed on the annual inquiry service list in the years that follow.”<sup>14</sup> Accordingly, as stated above, the petitioner and the Government of India should submit their initial entries of appearance after publication of this notice in order to appear in the first annual inquiry service lists for those orders for which they qualify as an interested party. Pursuant to 19 CFR

351.225(n)(3), the petitioner and the Government of India will not need to resubmit their entries of appearance each year to continue to be included on the annual inquiry service list. However, the petitioner and the Government of India are responsible for making amendments to their entries of appearance during the annual update to the annual inquiry service list in accordance with the procedures described above.

#### Scope of the Orders

The merchandise subject to these orders is melamine (Chemical Abstracts Service (CAS) registry number 108–78–01, molecular formula C<sub>3</sub>H<sub>6</sub>N<sub>6</sub>). Melamine is also known as 2,4,6- triamino-s-triazine; 1,3,5-Triazine-2,4,6- triamine; Cyanurotriamide; Cyanurotriamine; Cyanuramide; and by various brand names. Melamine is a crystalline powder or granule. All melamine is covered by the scope of these orders irrespective of purity, particle size, or physical form. Melamine that has been blended with other products is included within this scope when such blends include constituent parts that have been intermingled, but that have not been chemically reacted with each other to produce a different product. For such blends, only the melamine component of the mixture is covered by the scope of these orders. Melamine that is otherwise subject to these orders is not excluded when commingled with melamine from sources not subject to these orders. Only the subject component of such commingled products is covered by the scope of these orders.

The subject merchandise is provided for in subheading 2933.61.0000 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheading and CAS registry number are provided for convenience and customs purposes, the written description of the scope is dispositive.

#### SUPPLEMENTARY INFORMATION:

#### Background

On January 3, 2018, Commerce published the countervailing duty (CVD) order on softwood lumber from Canada in the *Federal Register*.<sup>1</sup> Several interested parties requested that Commerce conduct an administrative review of the *Order* and, on March 5, 2024, Commerce published in the *Federal Register* a notice of initiation of the fifth administrative review.<sup>2</sup> On April 19, 2024, Commerce selected Canfor Corporation (Canfor) and West Fraser Mills Ltd. (West Fraser) as the mandatory respondents in the administrative review.<sup>3</sup>

<sup>3</sup> See Memorandum, “Respondent Selection,” dated April 19, 2024.

<sup>12</sup> This segment will be combined with the ACCESS Segment Specific Information (SSI) field which will display the month in which the notice of the order or suspended investigation was published in the *Federal Register*, also known as the anniversary month. For example, for an order under case number A–000–000 that was published in the *Federal Register* in January, the relevant segment and SSI combination will appear in ACCESS as “AISL-January Anniversary.” Note that there will be only one annual inquiry service list segment per case number, and the anniversary month will be pre-populated in ACCESS.

On July 22, 2024, Commerce tolled certain deadlines in this administrative proceeding by seven days.<sup>4</sup> On September 17, 2024, Commerce extended the deadline for the preliminary results of this administrative review from October 9, 2024,<sup>5</sup> to February 6, 2025, in accordance with 19 CFR 351.213(h)(2).<sup>6</sup> Additionally, on December 9, 2024, Commerce tolled the deadline to issue the preliminary results in this administrative review by 90 days.<sup>7</sup> Accordingly, the deadline for these preliminary results is now May 7, 2025.

For a complete description of the events that followed the initiation of this review, *see* the Preliminary Decision Memorandum.<sup>8</sup> A list of topics discussed in the Preliminary Decision Memorandum is included in Appendix I to this notice. ### Scope of the Order

The products covered by this order are certain softwood lumber products from Canada. For a complete description of the scope of the *Order*, *see* the Preliminary Decision Memorandum.

### Rescission of Administrative Review, in Part

Pursuant to 19 CFR 351.213(d)(3), it is Commerce's practice to rescind an administrative review of a CVD order where it concludes that there were no reviewable entries of subject merchandise during the POR for an exporter or producer. Normally, upon completion of an administrative review, the suspended entries are liquidated at

the CVD assessment rate for the review period.<sup>9</sup> Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct U.S. Customs and Border Protection (CBP) to liquidate at the calculated CVD assessment rate for the review period.<sup>10</sup>

Based on our analysis of CBP data and comments received from interested parties, we determine that 46 producers/exporters, for which a review had been requested, had no reviewable shipments, sales, or entries of subject merchandise during the POR. Accordingly, absent evidence of a shipment on the record, Commerce is rescinding the administrative review of the following companies, pursuant to 19 CFR 351.213(d)(3):

1. 9224–5737 Quebec Inc. (aka A.G. Bois)

### Methodology

Commerce is conducting this CVD administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, Commerce preliminarily determines that there is a subsidy, *i.e.*, a financial contribution by an “authority” that confers a benefit to the recipient, and that the subsidy is specific.<sup>11</sup> For a full description of the methodology underlying our preliminary conclusions, *see* the Preliminary Decision Memorandum.

### Preliminary Rate for Non-Selected Companies Under Review

There are 245 companies for which a review was requested and not rescinded but were not selected as mandatory respondents. The statute and Commerce's regulations do not directly address the establishment of rates to be applied to companies not selected for individual examination where Commerce limits its examination in an administrative review pursuant to section 777A(e)(2) of the Act. However, Commerce normally determines the rates for non-selected companies in reviews in a manner that is consistent with section 705(c)(5) of the Act, which provides instructions for calculating the all-others rate in an investigation.

Section 705(c)(5)(A)(i) of the Act instructs Commerce, as a general rule, to calculate an all-others rate equal to the weighted average of the countervailable subsidy rates established for producers and/or exporters individually examined, excluding any zero, *de minimis*, or rates based entirely on facts available. In this review, Commerce calculated individual estimated countervailable subsidy rates for Canfor and West Fraser, the mandatory respondents, that are not zero, *de minimis*, or based entirely on facts available. Therefore, we calculated a subsidy rate for the non-selected companies by weight-averaging the preliminary subsidy rates calculated for Canfor and West Fraser using each company's publicly-ranged U.S. sales value for the subject merchandise during the POR. For further information on the calculation of the non-selected rate, *see* “Preliminary *Ad Valorem* Rate for Non-Selected Companies under Review” in the Preliminary Decision Memorandum. ### Preliminary Results of Review

For the period January 1, 2023, through December 31, 2023, we

preliminarily determine the following estimated countervailable subsidy rates:

Companies	Subsidy rate (percent <i>ad valorem</i> )
Canfor Corporation and its cross-owned affiliates <sup>12</sup> .....	11.87
West Fraser Mills Ltd. and its cross-owned affiliates <sup>13</sup> .....	16.57
Non-Selected Companies .....	14.38

### Disclosure

Commerce intends to disclose its calculations performed to interested parties for these preliminary results within five days of the date of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

### Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance. Pursuant to 19 CFR 351.309(c)(1)(ii), we have modified the deadline for interested parties to submit case briefs to Commerce to no later than 21 days after the date of the publication of this notice.<sup>14</sup> Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.<sup>15</sup> Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.<sup>16</sup>

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their brief that should be limited to five pages total, including footnotes. In this review, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.<sup>17</sup> Further, we

request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).<sup>18</sup>

Pursuant to 19 CFR 351.310(c)(2), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must do so within 21 days of publication of these preliminary results by submitting a written request to the Assistant Secretary for Enforcement and Compliance using ACCESS.<sup>19</sup> Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants and whether any participant is a foreign national; and (3) a list of the issues to be discussed. If a request for a hearing is made, Commerce will inform parties of the scheduled date for the hearing.<sup>20</sup> Parties should confirm the date and time of the hearing two days before the scheduled date. Parties are reminded that all briefs and hearing requests must be filed electronically using ACCESS and received successfully, in their entirety, by 5:00 p.m. Eastern Time on the due date.

### Assessment Rates

In accordance with 19 CFR 351.221(b)(4)(i), Commerce has preliminarily assigned the subsidy rates as indicated above. Pursuant to section 751(a)(2)(C) of the Act, upon issuance of the final results, Commerce shall determine, and CBP shall assess, countervailing duties on all appropriate

entries covered by this review.

Commerce intends to issue assessment instructions to CBP no earlier than 41 days after the date of publication of the final results of this review in the **Federal Register**, in accordance with 19 CFR 356.8(a). If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for statutory injunction has expired (*i.e.*, within 90 days of publication).

For the companies for which this review is rescinded, Commerce will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2023, through December 31, 2023, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue rescission instructions to CBP no earlier than 41 days after the date of publication of the notice of rescission in the **Federal Register**.

### Cash Deposit Requirements

Pursuant to section 751(a)(1) of the Act, Commerce intends, upon publication of the final results, to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts indicated above for each of the respective companies listed above and in Appendix II with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed companies, we will instruct CBP to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.
