SUPPLEMENTARY INFORMATION: Section 4262 of the Employee Retirement Income Security Act of 1974 (ERISA) requires PBGC to provide special financial assistance (SFA) to certain financially troubled multiemployer plans upon application for assistance. Part 4262 of PBGC's regulations, "Special Financial Assistance by PBGC," provides guidance to multiemployer pension plan sponsors

on eligibility, determining the amount of SFA, content of an application for SFA, the process of applying, PBGC's review of applications, restrictions and conditions, and reporting and notice requirements.

To apply for SFA, a plan sponsor must file an application with PBGC and include information about the plan, plan documentation, and actuarial information, as specified in §§ 4262.6 through 4262.9. Also, if the plan is changing certain assumptions for purposes of demonstrating its requested amount of SFA, then the plan sponsor may use PBGC's SFA assumptions guidance. PBGC needs the application information to review a plan's eligibility for SFA and amount of requested SFA. PBGC estimates that over the next 3 years an annual average of 45 plan sponsors will file applications for SFA with an average annual hour burden of 540 (45 × 12) hours and an average annual cost burden of \$1,530,000 (45 × \$34,000).

Under § 4262.10(g), a plan sponsor may, but is not required to, file a lock-in application as a plan's initial application. The lock-in application contains basic information about the plan and a statement of intent to lock-in base data. PBGC needs the information in the lock-in application to ensure that a plan sponsor intends to lock-in the plan's data. PBGC estimates that over the next 3 years an annual average of 6 plan sponsors will file lock-in applications for SFA with an average annual hour burden of 6 (6 × 1) hours and an average annual cost burden of \$4,800 (6 × \$800).

Under § 4262.16(i), a plan sponsor of a plan that has received SFA must file an Annual Statement of Compliance with the restrictions and conditions under section 4262 of ERISA and part 4262 once every year through 2051. PBGC needs the information in the Annual Statement of Compliance to ensure that a plan is compliant with the imposed restrictions and conditions. PBGC is providing updated instructions for filers to use when entering the information for the Annual Statement of Compliance in PBGC's e-Filing portal. The instructions include a certification statement that must be manually signed and dated by a trustee who is a current member of the plan's board of trustees and authorized to sign on behalf of the board of trustees, or by another representative of the plan sponsor. PBGC estimates that over the next 3 years an annual average of 150 plan sponsors will file an Annual Statement of Compliance with an average annual hour burden of 300 (150 × 2) hours and
