SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on March 4, 2008, based on a complaint filed by Sharp Corporation ("Sharp") of Japan. 73 FR 11678. The complaint, as amended and supplemented, alleged violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain liquid crystal display devices, products containing same, and methods for using the same by reason of infringement of certain claims of U.S. Patent Nos. 6,879,364 ("the '364 patent"); 6,952,192 ("the '192 patent"); 7,304,703 ("the '703 patent"); and 7,304,626 ("the '626 patent"). The complaint further alleged the existence of a domestic industry. The Commission's notice of investigation named the following respondents:

Samsung Electronics Co., Ltd. of Korea; Samsung Electronics America, Inc. of Ridgefield Park, New Jersey; and Samsung Semiconductor, Inc. of San Jose, California (collectively, "Samsung").

On June 12, 2009, the presiding administrative law judge ("ALJ") issued his final initial determination ("ID") finding a violation of section 337 by Samsung with respect to all four patents at issue and his recommendations on remedy and bonding. On June 29, 2009, Samsung and the Commission investigative attorney ("IA") filed petitions for review of the final ID. The IA and Sharp filed responses to the petitions on July 7, 2009. On September 9, 2009, the Commission issued notice of its determination not to review the ALJ's final ID and requested written submissions on the issues of remedy, the public interest, and bonding from the parties and interested non-parties. 74 FR 47616-17 (Sept. 16, 2009).

On September 16 and 23, 2009, respectively, complainant Sharp, the Samsung respondents, and the IA filed briefs and reply briefs on the issues for which the Commission requested written submissions. On September 21, 2009, Samsung filed a petition for reconsideration of the Commission's determination not to review certain portions of the final ID. On October 19, 2009, the Commission issued an order denying the petition for reconsideration.

On October 30, 2009, Samsung filed a supplemental submission on the issues of remedy, the public interest, and bonding. On November 2 and 3, 2009, respectively, Sharp and the IA filed a response to Samsung's supplemental submission.

On November 9, 2009, the Commission issued notice of its determination to terminate the investigation with a finding of a violation of section 337, and issued: (1) A limited exclusion order prohibiting the unlicensed entry of LCD devices, including display panels and modules, and products containing the same that infringe one or more of (i) claims 5-7 of the '364 patent; (ii) claims 1 and 4 of the '192 patent; (iii) claims 1-2, 6-8, 13-14, and 16-17 of the '703 patent; and (iv) claims 10, 17, and 20 of the '626 patent, where the infringing LCD devices are manufactured abroad by or on behalf of, or are imported by or on behalf of, Samsung, or any of its affiliated companies, parents, subsidiaries, licensees, contractors, or other related business entities, or successors or assigns; and (2) cease and desist orders prohibiting Samsung Electronics America, Inc. and Samsung Semiconductor, Inc. from conducting

any of the following activities in the United States: importing, selling, marketing, advertising, distributing, offering for sale, transferring (except for exportation), and soliciting U.S. agents or distributors for, LCD devices, including display panels and modules, and products containing the same that infringe one or more of (i) claims 5-7 of the '364 patent; (ii) claims 1 and 4 of the '192 patent; (iii) claims 1-2, 6-8, 13-14, and 16-17 of the '703 patent; and (iv) claims 10, 17, and 20 of the '626 patent. 74 FR 58978-79 (November 16, 2009).

On February 12, 2010, complainant Sharp and respondent Samsung filed a joint petition to rescind the remedial orders under Commission Rule 210.76(a)(1) on the basis of a settlement agreement between the parties. The parties asserted that their settlement agreement constitutes "changed conditions of fact or law" sufficient to justify rescission of the order under Commission Rule 210.76(a)(1), 19 CFR 210.76(a)(1). The IA did not oppose the joint petition.

Having reviewed the parties' submissions, the Commission has determined that the settlement agreement satisfies the requirement of Commission Rule 210.76(a)(1), 19 CFR 210.76(a)(1), that there be changed conditions of fact or law. The Commission therefore has issued an order rescinding the limited exclusion order and cease and desist orders previously issued in this investigation.

This action is taken under the authority of section 337 of the Tariff Act of 1930 (19 U.S.C. 1337) and section 210.76(a)(1) of the Commission's Rules of Practice and Procedure (19 CFR 210.76(a)(1)).

Issued: March 1, 2010.

By order of the Commission.

Marilyn R. Abbott,

Secretary to the Commission.

Antitrust Division

United States v. Bemis Company, Inc., et al.; Proposed Final Judgment and Competitive Impact Statement

Notice is hereby given pursuant to the Antitrust Procedures and Penalties Act, 15 U.S.C. 16(b)–(h), that a proposed

Final Judgment, Hold Separate Stipulation and Order, and Competitive Impact Statement have been filed with the United States District Court for the District of Columbia in *United States v. Bemis Co. et al.*, Civil Action No. 1:10-cv-00295. On February 24, 2010, the United States filed a Complaint alleging that the proposed acquisition by Bemis Company, Inc. ("Bemis") of the Alcan Packaging Food Americas business of Rio Tinto plc would violate Section 7 of the Clayton Act, 15 U.S.C. 18, by substantially lessening competition in the markets for flexible-packaging rollstock for chunk and sliced natural cheese packaged for retail sale, flexible-packaging rollstock for shredded natural cheese packaged for retail sale, and flexible-packaging shrink bags for fresh meat. The proposed Final Judgment, filed the same time as the Complaint, requires Bemis to divest the assets of Alcan Packaging Food Americas related to those markets, including production plants and assets located in Menasha, Wisconsin and Catoosa, Oklahoma, as well as certain other tangible and intangible assets. The proposed Final Judgment also permits Bemis temporarily to occupy certain portions of the Menasha facility while unrelated operations are relocated and allows for short-term supply agreements between Bemis and the entity that acquires the divested assets in order to ensure that customers continue to receive a reliable supply of the affected products.

Copies of the Complaint, proposed Final Judgment and Competitive Impact Statement are available for inspection at the Department of Justice, Antitrust Division, Antitrust Documents Group, 450 Fifth Street, NW., Suite 1010, Washington, DC 20530 (telephone: 202-514-2481), on the Department of Justice's Web site at <http://www.usdoj.gov/atr>, and at the Office of the Clerk of the United States District Court for the District of Columbia.
