

in this proceeding are DuPont Teijin Films, Mitsubishi Polyester Film, Inc., SKC, Inc., and Toray Plastics (America), Inc.

In the *Preliminary Results*, the Department stated that interested parties may submit case briefs within 30 days of publication of the *Preliminary Results* and rebuttal briefs within five days after the due date for filing case briefs. See *Preliminary Results* at 49902. No interested parties submitted a case or rebuttal brief; therefore, there are no comments to address regarding the Department's determination in the *Preliminary Results*. We have not made any changes for the final results.

#### Period of Review

The period of review (POR) is November 6, 2008, through October 31, 2009.

#### Scope of the Order

The products covered by this order are all gauges of raw, pre-treated, or primed PET film, whether extruded or co-extruded. Excluded are metallized films and other finished films that have had at least one of their surfaces modified by the application of a performance-enhancing resinous or inorganic layer more than 0.00001 inches thick. Also excluded is roller transport cleaning film which has at least one of its surfaces modified by application of 0.5 micrometers of SBR latex. Tracing and drafting film is also excluded. PET film is classifiable under subheading 3920.62.00.90 of the Harmonized Tariff Schedule of the United States (HTSUS). While HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of these orders is dispositive.

#### Final Results of Review

The Department has determined that the following antidumping duty margin exists for the period November 6, 2008, through October 31, 2009:

Producer/Exporter	Margin (percent)
Terphane, Inc. ....	44.36

#### Assessment Rates

The Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. Because we are relying on total adverse facts available to establish the dumping margin for Terphane, we will instruct CBP to apply a dumping margin of 44.36 percent on all entries of PET film from Brazil that were produced and/or

exported by Terphane and entered, or withdrawn from warehouse, for consumption during the POR. The Department intends to issue appropriate assessment instructions for Terphane to CBP 15 days after the date of publication of these final results of review.

#### Cash Deposit Requirements

Furthermore, the following cash deposit requirements will be effective upon publication of these final results for all shipments of PET film from Brazil entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(1) of the Tariff Act of 1930, as amended (the Act): (1) The cash deposit rate for Terphane will be the rate established in the final results of this review; (2) for other previously reviewed or investigated companies, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review or the LTFV investigation but the manufacturer is, the cash-deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; (4) if neither the exporter nor the manufacturer has its own rate, the cash-deposit rate will be 28.72 percent, the all-others rate established in the *Final Determination*. These deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

#### Notification to Interested Parties

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an

APO is a violation which is subject to sanction.

This administrative review and notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: November 24, 2010.

Deputy Assistant Secretary for Import Administration.
