Air Plan Approval; Indiana, Ohio; Definition of Chemical Process Plants Under State Prevention of Significant Deterioration Regulations and Operating Permit Programs

AGENCY: Environmental Protection Agency (EPA).

EPA is also providing an opportunity for public comment on similar changes to the definition of "major stationary source" in Ohio's PSD regulations that were approved into the SIP on October 28, 2014. This opportunity is being provided because these revisions were not explicitly discussed in the corresponding **Federal Register** action. The changes to the state rules described below are approvable because they are consistent with EPA regulations governing state PSD and title V
