Agency Submitting Officer: Joanna Reynolds, (202) 357-3979.

SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act (PRA), the U.S. International Development Finance Corporation (DFC) is seeking emergency clearance from OMB on a new information collection titled DFC-014, U.S. International Development Finance Corporation—Defense Production Act Loan Application (DFC-DPA Loan Application). Executive Order 13922, "Delegating Authority Under the Defense Production Act to the Chief Executive Officer of the United States International Development Finance Corporation To Respond to the COVID-19 Outbreak," 85 FR 30583, delegated the authority to make loans, make provision for purchases and commitments to purchase, and take additional actions to create, maintain, protect, expand, and restore the domestic industrial base capabilities, including supply chains under the Defense Production Act (DPA) to the

Chief Executive Officer of the DFC in order to help address the national emergency caused by COVID-19.

Emergency clearance is necessary because the time to comply with the public comment provisions of the PRA would prevent the agency from quickly and efficiently responding to a national emergency. The information required by this collection is substantially similar to the information collected in DFC's other currently approved finance applications, OMB 3015-0004 and OMB 3015-0006. Furthermore, the agency intends to use this emergency clearance period to allow it to begin assistance under the DPA while initiating a request for a regular clearance that will provide the full public comment period.

Title of Collection: Comprehensive Literacy Program Evaluation: Comprehensive Literacy State Development (CLSD) Program Evaluation.

OMB Control Number: 1850–0945.

Type of Review: An extension of an existing information collection.

Respondents/Affected Public: State, Local, and Tribal Governments; Individuals or Households.

Total Estimated Number of Annual Responses: 604.

Total Estimated Number of Annual Burden Hours: 296.

Abstract: The data collection described in this submission includes activities for the legislatively mandated evaluation of the Comprehensive Literacy State Development (CLSD) Program. The evaluation will provide information on the implementation of the program and its impact on student reading achievement. The CLSD evaluation is the second component of an evaluation of the U.S. Department of Education's comprehensive literacy programs. An earlier clearance package (OMB control number 1850–0945) covered the first component of the evaluation—an implementation study of the Striving Readers Comprehensive Literacy Program (the precursor program to CLSD). The CLSD evaluation will include an examination of implementation, a randomized trial to estimate the impact of CLSD funding on teacher and student outcomes, and a longitudinal comparison of trends in achievement in CLSD and similar, non-CLSD schools. This package requests clearance for data collection associated with the implementation analyses, the randomized trial, and initial data
