

reasonable relocation payments and advisory services will be provided to any displaced persons and that safe, decent, and sanitary replacement dwellings will be available to such persons within a reasonable period of time prior to displacement. The state agency must be guided by the real property acquisition policies of the Act, and the property owners must be paid or reimbursed for necessary expenses as specified in the Act. The Act provides for an exemption to the appraisal, review and certification rules for "voluntary transactions" that meet the conditions specified at 49 C.F.R. 24.101(a)(1), including written notification to the owner that the agency will not acquire the property in the event negotiations fail to result in an amicable agreement. Department of Commerce regulations implementing the Act can be found at 15 CFR part 11.

6.9 Environmental Justice

Consistent with the President's Executive Order on Environmental Justice (Feb. 11, 1994) and the Department of Commerce's Environmental Justice Strategy, applicants shall ensure that their CELCP projects will not have disproportionately high and adverse human health or environmental effects on minority or low income populations.

6.10 Commerce Pre-Award Notification Requirements for Grants and Cooperative Agreements

The Department of Commerce has published in the **Federal Register**, October 1, 2001 (66 FR 49917), as amended October 30, 2002 (67 FR 66109), a set of requirements that are applicable to all Federal financial assistance awards issued by the Department. These will be addressed as Special Award Conditions on financial assistance awards.

7. Classification

7.1 Administrative Procedure Act/Regulatory Flexibility Act

Prior notice and an opportunity for public comment are not required by the Administrative Procedure Act for rules concerning public property, loans, grants, benefits, and contracts (5 U.S.C. 553 (a) (2)). Because notice and opportunity for comment are not required pursuant to 5 U.S.C. 553 or any other law, the analytical requirements of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) are inapplicable. Therefore, a regulatory flexibility analysis is not required and has not been prepared.

7.2 Executive Order 12866

These draft guidelines do not constitute a "significant regulatory action" as defined by Executive Order 12866 because: (1) they will not have an annual effect on the economy of \$100 million or more, or adversely affect in a material way the economy, a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local or tribal governments or communities; (2) they will not create a serious inconsistency or otherwise interfere with an action taken or planned by another agency; (3) they will not materially alter the budgetary impact of entitlements, grants, user fees, or loan programs or the rights and obligations of recipients thereof; and (4) they will not raise novel legal or policy issues arising out of legal mandates, the President's priorities, or the principles set forth in the Executive Order.

7.3 Paperwork Reduction Act

This document contains collection-of-information requirements subject to the Paperwork Reduction Act (PRA), and which have been approved by OMB. The use of Standard Forms 424, 424A, 424B, and SF-LLL have been approved by OMB under the respective control numbers 0348-0043, 0348-0044, 0348-0040, and 0348-0046. The information to be collected under these guidelines through conservation plans, the project application, checklist, and grant application materials has been approved by OMB under control number 0648-0459.

Notwithstanding any other provision of law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with a collection of information subject to the Paperwork Reduction Act unless that collection displays a currently valid OMB Control Number.
