

for exporters and producers not individually investigated. In this case, the rate calculated for the three investigated companies is based entirely on facts available under section 776 of the Act. There is no other information on the record upon which to determine an all-others rate. As a result, we have used the AFA rate assigned for Mupro, Aostar, and Anda as the all-others rate. This method is consistent with the Department's past practice. *See, e.g., Final Affirmative Countervailing Duty Determination: Certain Hot-Rolled Carbon Steel Flat Products From Argentina*, 66 FR 37007, 37008 (July 16, 2001); *see also Final Affirmative Countervailing Duty Determination: Prestressed Concrete Steel Wire Strand From India*, 68 FR 68356 (December 8, 2003); *see also Sodium Nitrite from the PRC*.

In accordance with sections 703(d)(1)(B) and (2) of the Act, we are directing U.S. Customs and Border Protection to suspend liquidation of all entries of the subject merchandise from the PRC, which are entered or withdrawn from warehouse, for consumption on or after the date of the publication of this notice in the **Federal Register**, and to require a cash deposit or the posting of a bond for such entries of the merchandise in the amounts indicated above. This suspension will remain in effect until further notice.

ITC Notification

In accordance with section 703(f) of the Act, we will notify the ITC of our determination. In addition, we are making available to the ITC all non-privileged and non-proprietary information relating to this investigation. We will allow the ITC access to all privileged and business proprietary information in our files, provided the ITC confirms that it will not disclose such information, either publicly or under an administrative protective order, without the written consent of the Assistant Secretary for Import Administration.

In accordance with section 705(b)(2)(B) of the Act, if our final determination is affirmative, the ITC will make its final determination within 45 days after the Department makes its final determination.

Disclosure and Public Comment

In accordance with 19 CFR 351.224(b), the Department will disclose to the parties the information on which it relied to determine the subsidy rates for this preliminary determination within five days of its announcement. No party has submitted a notice of appearance on behalf of the GOC or the

mandatory company respondents, and questionnaire responses were not submitted in this investigation by either the GOC or the three mandatory company respondents. Thus, the Department does not intend to conduct verification proceedings in this countervailing duty investigation. For these reasons, the due date for interested parties to submit case briefs will be 50 days from the date of publication of the preliminary determination. *See* 19 CFR 351.309(c)(i). Rebuttal briefs, which must be limited to issues raised in the case briefs, must be filed within five days after the case briefs are filed in accordance with 19 CFR 351.309(d).

In accordance with 19 CFR 351.310(c), we will hold a public hearing, if requested, to afford interested parties an opportunity to comment on this preliminary determination. Individuals who wish to request a hearing must submit a written request, pursuant to 19 CFR 351.301(c), within 30 days of the publication of this notice in the **Federal Register**, to the Assistant Secretary for Import Administration, Department of Commerce, Room 1870, 14th Street and Constitution Avenue, N.W., Washington, DC 20230. Pursuant to 19 CFR 351.310(c), parties will be notified of the schedule for the hearing and parties should confirm by telephone the time, date, and place of the hearing 48 hours before the scheduled time. Requests for a public hearing should contain: (1) party's name, address, and telephone number; (2) the number of participants and; (3) to the extent practicable, an identification of the arguments to be raised at the hearing.

This determination is issued and published pursuant to sections 703(f) and 777(i) of the Act and 19 CFR 351.221(b)(4).

SUPPLEMENTARY INFORMATION: The New England Fishery Management Council's Monkfish Committee is holding public hearings for Amendment 5 to the Monkfish Fishery Management Plan (FMP). The primary purpose of this amendment is to address the new requirements of the Magnuson-Stevens Fishery Conservation and Management Reauthorization Act that the Council adopt Annual Catch Limits (ACLs) and Accountability Measures (AMs) and manage the fishery at long-term

sustainable levels. According to the Act, these measures must be adopted by 2011. Amendment 5 will also include revised biological and management reference points to bring the FMP into compliance with revised National Standard 1 Guidelines. Further, Amendment 5 will specify total allowable catch targets and associated days-at-sea (DAS) and trip limits for the directed fishery to supplant the current specifications that it adopted for the 2007–2009 fishing years along with an extension provision which will apply for the 2010 fishing year. Amendment 5 contains proposals to make modifications to the FMP to improve the Research Set-Aside (RSA) Program, to minimize bycatch resulting from trip limit overages, to accommodate those vessels fishing in groundfish sectors who would no longer be required to use their allocated groundfish DAS, to require all limited access monkfish vessels to use a VMS when on a monkfish DAS, and to allow the landing of monkfish heads.

The public hearing document, as well as the draft Amendment 5 document incorporating an Environmental Assessment, is available on the Monkfish page of the Council's website (www.nefmc.org) or from the Council office.

After the close of the public comment period, the Monkfish Oversight Committee and Industry Advisory Panel will review the comments and develop recommendations to the New England and Mid-Atlantic Fishery Management Councils on the measures to be submitted as final action for Amendment 5. The Councils will make their decisions in April, 2010 for submission to the National Marine Fisheries Service (NMFS). If approved by NMFS, Amendment 5 will take effect at the start of the 2011 fishing year.
