

Health Care Act of 2006 (Public Law No. 109-432) ("the Act"). Under Division B, Title IV, section 406(b)(1) of the Act, the Secretary of Commerce is required to allocate tariff rate quotas on the import of certain cotton woven fabrics through December 31, 2009. Section 406(b)(1) authorizes the Secretary of Commerce to issue licenses to eligible manufacturers under headings 9902.52.08 through 9902.52.19 of the Harmonized Tariff Schedule of the United States, specifying the restrictions under each such license on the quantity of cotton woven fabrics that may be entered each year on behalf of the manufacturer. Section 406(a)(1) of the Act created an annual tariff rate quota providing for temporary reductions through December 31, 2009 in the import duties of cotton woven fabrics suitable for making cotton shirts (new Harmonized Tariff Schedule of the United States (HTS) headings 9902.52.08, 9902.52.09, 9902.52.10, 9902.52.11, 9902.52.12, 9902.52.13, 9902.52.14, 9902.52.15, 9902.52.16, 9902.52.17, 9902.52.18, and 9902.52.19). Section 406(a)(2) provides that the reduction in duty is limited to 85 percent of the total square meter equivalents of all imported woven fabrics of cotton containing 85 percent or more by weight cotton used by manufacturers in cutting and sewing men's and boys' cotton shirts in the United States and purchased by such manufacturer during calendar year 2000.

The Act requires that the tariff rate quotas be allocated to persons (including firms, corporations, or other legal entities) who, during calendar year 2000, were manufacturers cutting and sewing men's and boys' cotton shirts in the United States from imported woven fabrics of cotton containing 85 percent or more by weight cotton of the kind described in HTS 9902.52.08 through 9902.52.19 purchased by such manufacturer during calendar year 2000. On July 24, 2007, the Department published regulations establishing procedures for allocating the TRQ. 72 FR 40235, 15 CFR 336.

On October 22, 2007 the Department published a notice in the Federal Register (72 FR 59513) soliciting applications for an allocation of the 2008 tariff rate quotas with a closing date of November 21, 2007. The Department received timely applications from 5 firms. All applicants were determined eligible for an allocation. Most applicants submitted data on a business confidential basis. As allocations to firms were determined on the basis of this data, the Department considers individual firm allocations to be business confidential.
