

granting or denying access) is governed by 10 CFR 2.311.³

I. The Commission expects that the NRC staff and presiding officers (and any other reviewing officers) will consider and resolve requests for access to SUNSI, and motions for protective orders, in a timely fashion in order to minimize any unnecessary delays in identifying those petitioners who have

standing and who have propounded contentions meeting the specificity and basis requirements in 10 CFR part 2. Attachment 1 to this Order summarizes the general target schedule for processing and resolving requests under these procedures.

It is so ordered.

Dated at Rockville, Maryland, this 23rd day of June, 2011.

For the Nuclear Regulatory Commission.

Andrew L. Bates,

Acting Secretary of the Commission.

Attachment 1—General Target Schedule for Processing and Resolving Requests for Access to Sensitive Unclassified Non-Safeguards Information in This Proceeding

Day	Event/Activity
0	Publication of Federal Register notice of hearing and opportunity to petition for leave to intervene, including order with instructions for access requests.
10	Deadline for submitting requests for access to Sensitive Unclassified Non-Safeguards Information (SUNSI) with information: supporting the standing of a potential party identified by name and address; describing the need for the information in order for the potential party to participate meaningfully in an adjudicatory proceeding.

20	Nuclear Regulatory Commission (NRC) staff informs the requestor of the staff's determination whether the request for access provides a reasonable basis to believe standing can be established and shows need for SUNSI. (NRC staff also informs any party to the proceeding whose interest independent of the proceeding would be harmed by the release of the information.) If NRC staff makes the finding of need for SUNSI and likelihood of standing, NRC staff begins document processing (preparation of redactions or review of redacted documents).

If NRC staff finds "need" for SUNSI, the deadline for any party to the proceeding whose interest independent of the proceeding would be harmed by the release of the information to file a motion seeking a ruling to reverse the NRC staff's grant of access.
30	Deadline for NRC staff reply to motions to reverse NRC staff determination(s).
40	(Receipt +30) If NRC staff finds standing and need for SUNSI, deadline for NRC staff to complete information processing and file motion for Protective Order and draft Non-Disclosure Affidavit. Deadline for applicant/li-censee to file Non-Disclosure Agreement for SUNSI.

A + 28	Deadline for submission of contentions whose development depends upon access to SUNSI. However, if more than 25 days remain between the petitioner's receipt of (or access to) the information and the deadline for filing all other contentions (as established in the notice of hearing or opportunity for hearing), the petitioner may file its SUNSI contentions by that later deadline.
A + 53	(Contention receipt +25) Answers to contentions whose development depends upon access to SUNSI.

Post Office Closing

AGENCY: Postal Regulatory Commission.

ACTION: Notice.

SUPPLEMENTARY INFORMATION: Notice is hereby given that, pursuant to 39 U.S.C. 404(d), the Commission received two petitions for review of the closing of the Lafayette Postal Facility in Freehold,

³ Requestors should note that the filing requirements of the NRC's E-Filing Rule (72 FR 49139; August 28, 2007) apply to appeals of NRC

staff determinations (because they must be served on a presiding officer or the Commission, as

applicable), but not to the initial SUNSI request submitted to the NRC staff under these procedures.

New Jersey.¹ The first petition, which was filed by A. Richard Gatto on behalf of the Freehold Center Management Corporation, included an application for suspension of the determination. On June 24, 2011, a second petition for review was filed by Duane O. Davison on behalf of the Township of Freehold, New Jersey.

The Commission hereby institutes a proceeding under 39 U.S.C. 404(d)(5) and designates the case as Docket No. A2011–19 to consider Petitioners' appeals. If Petitioners would like to further explain their positions with supplemental information or facts, Petitioners may either file a Participant Statement on PRC Form 61 or file an initial brief with the Commission no later than July 27, 2011.

Categories of issues apparently raised. Petitioners raise two issues: (1) The failure of the Postal Service to follow the procedural requirements of 39 U.S.C. 404(d) and 39 CFR 241.3 for closing a post office; and (2) the failure of the Postal Service to consider the impact the closing would have on the community (*see* 39 U.S.C. 404(d)(2)(A)(i)).

After the Postal Service files the administrative record and the Commission reviews it, the Commission may find that there are more legal issues than those set forth above, or that the Postal Service's determination disposes of one or more of those issues. The deadline for the Postal Service to file the administrative record with the Commission is July 7, 2011. *See* 39 CFR 3001.113. In addition, the due date for any responsive pleading by the Postal Service to this notice is July 7, 2011.

Application for Suspension of Determination. In addition to its Petition, Freehold Management Corporation filed an application for suspension of the Postal Service's determination (*see* 39 CFR 3001.114).

Commission rules allow for the Postal Service to file an answer to such application within 10 days after the application is filed. The Postal Service shall file an answer to the application no later than July 5, 2011.

Availability; Web site posting. The Commission has posted the appeal and supporting material on its Web site at <http://www.prc.gov>. Additional filings in this case and participant's submissions will also be posted on the Commission's Web site, if provided in electronic format or amenable to conversion, and not subject to a valid protective order. Information on how to use the Commission's Web site is available online or by contacting the Commission's webmaster via telephone at 202–789–6873 or via electronic mail at prc-webmaster@prc.gov.

Instructions for obtaining an account to file documents online may be found on the Commission's Web site or by contacting the Commission's docket section at prc-dockets@prc.gov or via telephone at 202–789–6846.

The Commission reserves the right to redact personal information which may infringe on an individual's privacy rights from documents filed in this proceeding.

Intervention. Those, other than the Petitioners and respondent, wishing to be heard in this matter are directed to file a notice of intervention. *See* 39 CFR 3001.111(b). Notices of intervention in this case must be filed on or before July 25, 2011. A notice of intervention shall be filed using the Internet (Filing Online) at the Commission's Web site unless a waiver is obtained for hardcopy filing. *See* 39 CFR 3001.9(a) and 3001.10(a).

Further procedures. By statute, the Commission is required to issue its decision within 120 days from the date it receives the appeal. *See* 39 U.S.C. 404(d)(5). A procedural schedule has been developed to accommodate this statutory deadline. In the interest of expedition, in light of the 120-day decision schedule, the Commission may request the Postal Service or other participants to submit information or memoranda of law on any appropriate issue. As required by Commission rules, if any motions are filed, responses are due 7 days after any such motion is filed. *See* 39 CFR 3001.21.

It is ordered:

1. The Postal Service shall file an answer to the application for suspension of the Postal Service's determination no later than July 5, 2011.

4. The procedural schedule listed below is hereby adopted.

Pursuant to 39 U.S.C. 505, Richard A. Oliver is designated officer of the Commission (Public Representative) to represent the interests of the general public.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-64760; File No. SR-ISE-2011-34]

Self-Regulatory Organizations; International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Increase the Position and Exercise Limit for Options on the Standard & Poor's® Depository Receipts (SPDRs®)

June 28, 2011.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 17, 2011, the International Securities Exchange, LLC (the "Exchange" or the "ISE") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which items have been prepared by the Exchange. The Exchange filed the proposal as a "non-controversial" proposed rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the rules of the Exchange to increase the position and exercise limit applicable to options on the Standard and Poor's® Depository Receipts ("SPDRs®").⁵ The text of the proposed rule change is available on the Exchange's Web site <http://www.ise.com>, at the principal

office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposal is to amend ISE Rules 412 and 414 to increase the position and exercise limit applicable to options on SPDRs®, which are trading under the symbol SPY, from 300,000 to 900,000 contracts on the same side of the market. The Exchange began trading options on SPDRs® on January 10, 2005. That year, the position limit for these options was increased to the current limit of 300,000 contracts on the same side of the market, and has remained unchanged.⁶ However, institutional and retail traders have greatly increased their demand for options on SPDRs® for hedging and trading purposes, such that these options have experienced an explosive gain in popularity and have been the most actively traded options for the last two years. For example, options on SPDRs® (SPY), the most actively traded options in the U.S. in terms of volume, traded a total of 33,341,698 contracts across all exchanges from March 1, 2011 through March 16, 2011. In contrast, over the same time period, options on the Nasdaq-100 Index® Tracking Stock ("QQQSM"),⁷ the third most actively traded options, traded a total of 8,730,718 contracts (less than 26.2% of the volume of options on SPDRs®).

Currently, SPY options have a position limit of only 300,000 contracts on the same side on the market while the significantly lesser-volume QQQSM options, which are comparable to SPY options, have a position limit of 900,000 contracts on the same side of the market. The Exchange believes that SPY options should, like options on QQQSM, have a position limit of 900,000 contracts. Given the increase in volume and continuous unprecedented demand for trading options on SPDRs®, the Exchange believes that the current position limit of 300,000 contracts is too low and inadequate and is a deterrent to the optimal use of the product for hedging and trading purposes. There are multiple reasons to increase the position and exercise limit for SPY options.

First, traders have informed the Exchange that the current SPY option position limit of 300,000 contracts, which has remained flat for more than five years despite the tremendous trading volume increase, is no longer sufficient for optimal trading and hedging purposes. SPY options are, as noted, used by large institutions and traders as a means to invest in or hedge the overall direction of the market. Second, options on SPDRs® are 1/10th the size of options on the S&P 500® Index, traded under the symbol SPX. Thus, a position limit of 300,000 contracts in options on SPDRs® is equivalent to a 30,000 contract position limit in options on SPX.⁸ Traders who trade options on SPDRs® to hedge positions in SPX options (and the SPDRs® ETF based on SPX, SPDRs® Trust Series 1) have indicated on several occasions that the current position limit for options on SPDRs® is simply too restrictive,⁹ which may adversely affect their (and the Exchange's) ability to provide liquidity in this product. And third, the products that are perhaps most comparable to options on SPDRs®, namely options on QQQSM, are subject to a 900,000 contract position limit on the same side of the market.¹⁰ This has, in light of the huge run-up in SPY option trading making them the number one nationally-ranked option in terms of volume, resulted in a skewed and unacceptable SPY option position limit. Specifically, the position limit for options on SPDRs® at 300,000 contracts

SPDRs®, also sometimes referred to colloquially as "spiders", are exchange traded funds ("ETFs") based on the S&P 500® Index. Each share of the traditional SPDRs® ETF (SPDRs® Trust Series 1) holds a stake in the 500 stocks represented by the S&P 500®. SPDRs®, and options thereon, are generally used by large institutions and traders as bets on the overall direction of the market. They are also used by individual retail investors who believe in passive management (index investing).

⁶ See Securities Exchange Act Release No. 51042 (January 14, 2005), 70 FR 3412 (January 24, 2005) (SR-ISE-2005-05) (Approval order increasing position and exercise limits for options on SPDRs® from 75,000 contracts to 300,000 contracts on the same side of the market).

⁸ Chicago Board Options Exchange, which lists and trades SPX options, has established that there is no position limit on SPX options.
