(f) The Deputy Administrator may, in consultation with the Administrator, FAS, authorize the State and county committees to waive or modify non-statutory application deadlines or other program requirements in cases where lateness or failure to meet such other requirements by applicants does not adversely affect the operation of the program.

§ 1580.502 Maintenance of records, audits and compliance.

(a) Persons making application for benefits under this program must maintain accurate records and accounts that will document that they meet all eligibility requirements specified herein, as may be requested by FSA. Such records and accounts must be retained for 2 years after the date of the final payment to the producer under this program.

(b) At all times during regular business hours, authorized representatives of FSA, the United States Department of Agriculture, or the Comptroller General of the United States shall have access to the premises of the producer in order to inspect, examine, and make copies of the books, records, and accounts, and other written data as specified in paragraph (a) of this section.

(c) Audits of certifications of average adjusted gross income may be conducted as necessary to determine compliance with the requirements of this subpart. As a part of this audit, income tax forms may be requested and if requested, must be supplied. If a producer has submitted information to FSA, including a certification from a certified public accountant or attorney, that relied upon information from a form previously filed with the Internal Revenue Service, such producer shall provide FSA a copy of any amended form filed with the Internal Revenue Service with 30 days of the filing.

(d) If requested in writing by the United States Department of Agriculture or the Comptroller General of the United States, the producer shall provide all information and documentation the reviewing authority determines necessary to verify any information or certification provided under this subpart, including all documents referred to in § 1580.301(c), within 30 days. (a) If the Administrator, FSA, or a court of competent jurisdiction, determines that any person has received any payment under this program to which the person was not entitled, such person will be liable to repay such amount to the Administrator, FSA. The Administrator, FSA, may waive such repayment if it is determined that:

- (1) The payment was made without fault on the part of the person; and
- (2) Requiring such repayment would be contrary to equity and good conscience.

(b) Unless an overpayment is otherwise recovered, or waived under paragraph (a), the Administrator, FSA, shall recover the overpayment by deductions from any sums payable to such person.

(c) If the Administrator, FSA, or a court of competent jurisdiction, determines that a person:

- (1) Knowingly has made, or caused another to make, a false statement or representation of a material fact, or
- (2) Knowingly has failed, or caused another to fail, to disclose a material fact, and, as a result of such false statement or representation, or of such nondisclosure, such person has received any payment under this program to which the person was not entitled, such person shall, in addition to any other penalty provided by law, be ineligible for any further payment under this program.

(d) Except for overpayments determined by a court of competent jurisdiction, no repayment may be required, and no deduction may be made, under this section until a determination and an opportunity for a fair hearing has been given to the person concerned, and the determination has become final.

(e) Whoever makes a false statement of a material fact knowing it to be false, or knowingly fails to disclose a material fact, for the purpose of obtaining or increasing for himself or for any other person any payments authorized to be furnished under this program shall be fined not more than \$10,000 or imprisoned for not more than 1 year, or both.

Requirements for Recognizing the Animal Health Status of Foreign Regions

AGENCY: Animal and Plant Health Inspection Service, USDA.

ACTION: Final rule.

SUMMARY: We are amending the regulations that set out our procedures for recognizing the animal health status of regions. Specifically, we are requiring regions that have been granted status

under the regulations to provide information, or allow us to access information, to confirm the regions' animal health status when we request it. This action is necessary to help prevent the introduction of foreign animal diseases into the United States.

EFFECTIVE DATE: September 19, 2003.

FOR FURTHER INFORMATION CONTACT: Dr. Gary Colgrove, Director, Sanitary Trade Issues Team, National Center for Import and Export, VS, APHIS, 4700 River Road Unit 38, Riverdale, MD 20737–1231; (301) 734–4356.

SUPPLEMENTARY INFORMATION:

Background

The regulations in 9 CFR part 92, "Importation of Animals and Animal Products: Procedures for Requesting Recognition of Regions" (referred to below as the regulations), set out the process by which a foreign government may request recognition of the animal health status of a region or approval to export animals or animal products to the United States based on the risk associated with animals or animal products from that region. As provided in § 92.2, each request must include information about the region, including information on the authority, organization, and infrastructure of the veterinary services organization of the region; the extent to which movement of animals and animal products is controlled from regions of higher risk, and the level of biosecurity for such movements; livestock demographics and marketing practices in the region; diagnostic laboratory capabilities in the region; and the region's policies and infrastructure for animal disease control, *i.e.*, the region's emergency response capacity.

On March 6, 2003, we published a proposed rule in the **Federal Register** (68 FR 10667–10668, Docket No. 01–036–1) in which we proposed to amend the regulations to require regions that have been granted status under the regulations to provide information, or allow us to access information, to confirm the regions' animal health status when we request it.

We solicited comments concerning our proposal for 60 days ending May 5, 2003. We received four comments by that date. They were from representatives of domestic livestock producers and a State animal health agency. All of the commenters supported the proposed rule. Therefore, for the reasons given in the proposed rule, we are adopting the proposed rule as a final rule, without change.

Executive Order 12866 and Regulatory Flexibility Act

This rule has been reviewed under Executive Order 12866. The rule has been determined to be not significant for the purposes of Executive Order 12866 and, therefore, has not been reviewed by the Office of Management and Budget.

We are amending the regulations that set out our procedures for recognizing the animal health status of regions. Specifically, we are requiring regions that have been granted status under the regulations to provide information, or allow us to access information, to confirm the regions' animal health status when we request to do so. This action is necessary to help prevent the introduction of foreign animal diseases into the United States. We do not expect that this action will result in any economic effects, positive or negative.

Under these circumstances, the Administrator of the Animal and Plant Health Inspection Service has determined that this action will not have a significant economic impact on a substantial number of small entities.

Executive Order 12988

This final rule has been reviewed under Executive Order 12988, Civil Justice Reform. This rule: (1) Preempts all State and local laws and regulations that are inconsistent with this rule; (2) has no retroactive effect; and (3) does not require administrative proceedings before parties may file suit in court challenging this rule.

Paperwork Reduction Act

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the information collection or recordkeeping requirements included in this rule have been approved by the Office of Management and Budget (OMB) under OMB control number 0579–0219.

Government Paperwork Elimination Act Compliance
