Foreign-Trade Zones Board

[B-52-2014]

Foreign-Trade Zone 63—Prince George's County, Maryland: Application for Reorganization Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by Prince George's County, Maryland, grantee of FTZ 63, requesting authority to reorganize the zone under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR Sec. 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new subzones or "usage-driven" FTZ sites for operators/users located within a grantee's "service area" in the context of the FTZ Board's standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally docketed on July 29, 2014.

FTZ 63 was approved by the FTZ Board on October 20, 1980 (Board Order 167, 45 FR 71639, 10/29/80). The current zone includes the following site: *Site 1* (77.48 acres)—Collington Center Industrial Park, Trade Zone Avenue, Upper Marlboro, Maryland.

The grantee's proposed service area under the ASF would be Prince George's County, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The proposed service area is adjacent to the Washington-Dulles Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize its existing zone to include

the existing site as a “magnet” site. The ASF allows for the possible exemption of one magnet site from the “sunset” time limits that generally apply to sites under the ASF, and the applicant proposes that Site 1 be so exempted. No subzones/usage-driven sites are being requested at this time.

In accordance with the FTZ Board’s regulations, Kathleen Boyce of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board’s Executive Secretary at the address below. The closing period for their receipt is October 3, 2014. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to October 20, 2014.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the “Reading Room” section of the FTZ Board’s Web site, which is accessible via www.trade.gov/ftz. For further information, contact Kathleen Boyce at Kathleen.Boyce@trade.gov or (202) 482-1346.

Dated: July 29, 2014.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) conducted an administrative review of the countervailing duty order on multilayered wood flooring (wood flooring) from the People’s Republic of China (PRC).¹ On January 27, 2014, the Department published the *Preliminary Results* for this administrative review.² The period of review (POR) is April 6, 2011, through December 31, 2011. This review covered multiple exporters/producers, two of which were individually reviewed as mandatory respondents, with another being individually reviewed as a voluntary respondent. We are applying rates to the other firms subject to this review based on the countervailing duty rates calculated for the respondents individually examined. The Department also rescinds the review of one company, Changzhou Hawd Flooring Co., Ltd., that timely certified that it had no shipments of subject merchandise to the United States during the POR.
