Title: Interstate Arrangement for Combining Employment and Wages.

OMB Control Number: 1205-0029.

Form Number: ETA-586.

Affected Public: State Governments.

Estimated Number of Respondents: 53.

Estimated Total Annual Burden Hours: 848.

Estimated Total Annual Costs Burden: \$0.

Description: Section 3304(a)(9)(B), of the Internal Revenue Code of 1986, requires states to participate in an arrangement for combining employment and wages covered under the different state laws for the purpose of determining unemployed workers' entitlement to unemployment compensation. The Interstate Arrangement for Combining Employment and Wages for combined wage claims (CWC), promulgated at 20 CFR 616, requires the prompt transfer of all relevant and available employment and wage data between states upon request. The Benefit Payment Promptness Standard, 20 CFR part 640, requires the prompt payment of unemployment compensation including benefits paid under the CWC arrangement. The ETA-586 report provides the ETA/Office of Workforce Security with information necessary to measure the scope and effect of the CWC program and monitor the performance of each state in responding to wage transfer data requests and the payment of benefits. For additional information, see related notice published at 72 FR 68594 on December 5, 2007.

Agency: Employment and Training Administration.

Type of Review: New Collection (Request for a new OMB Control Number).

Title: High Growth and Community-Based Job Training Grants.

OMB Control Number: 1205-0NEW.

Form Number: ETA-9134.

Affected Public: Private Sector: Not-for-profit institutions.

Estimated Number of Respondents: 272.

Estimated Total Annual Burden Hours: 53,464.

Estimated Total Annual Costs Burden: \$0.

Description: This information collection request is to implement new reporting requirements for ETA's High Growth Job Training Initiative (HGJTI) and the Community-Based Job Training Grants (CBJTG). ETA will require grantees to submit standardized quarterly reports summarizing the number and types of participants served by grantees, the number of exiters, the number of participants engaged in training activities, and some participant outcomes. To calculate the common measures for each grantee and for the program as a whole, ETA will also require grantees to submit quarterly participant records for exiters that contain the minimum number of elements needed to obtain the information to calculate the common measures. ETA plans to use these records to obtain wage record information from the Wage Record Interchange System (WRIS), which in turn ETA will use to compute common measures. These reports and records will help ETA gauge the effects of the HGJTI and CBJTG grants, identify grantees that could serve as useful models, and target technical assistance appropriately. ETA's statutory and regulatory authority to administer these programs includes provisions for the requirement of performance reporting from grantees. The legislative authority for these programs comes from the Workforce Investment Act (29 U.S.C. 2801 et seq.) and the American Competitiveness in the Twenty-first Century Act of 2000 as amended, both of which authorize and/or require that ETA collect information from grantees regarding program performance and participant outcomes.

Acting Departmental Clearance Officer.
