SUPPLEMENTARY INFORMATION: The Coast Guard announces the designation of the New England Commission of Higher Education (NECHE) as a “designated entity” under 10 U.S.C. 1589 and 1033. The Coast Guard also announces the participation of the Coast Guard Academy Provost Dr. Amy Donahue in the management of the entity as a Commissioner. Sections 1589 and 1033 allow the Secretary of the Department of Homeland Security to specify certain non-federal entities as “designated entities” in which a member of the armed forces or a civilian employee may be authorized to participate in a specific capacity. The Secretary delegated this authority to the Commandant of the Coast Guard through the Department of Homeland Security Delegation No. 00170.1, Revision No. 01.3 (paragraph II.14).

A “designated entity” must meet the requirements of 10 U.S.C. 1033. In relevant part, section 1033 requires an entity to be a non-profit organization and perform one of the statutorily enumerated functions, including accreditation of service academies and other schools of the armed forces. NECHE is a voluntary non-government association that provides accreditation to the U.S. Coast Guard Academy. Therefore, NECHE is an entity that may be designated under 10 U.S.C. 1033 and, in turn, 10 U.S.C. 1589.

Section 1589 also allows the Secretary concerned to authorize an employee, including a civilian officer, to participate, without compensation, in the management of a designated entity for the purposes of oversight, advice to, and coordination with that designated entity. An employee’s participation may not extend to the day to day operations of the entity. The Coast Guard Academy announces the authorization of Dr. Amy Donahue, the Provost of the Coast Guard Academy, to participate in the management of NECHE within limits of 10 U.S.C. 1033 and 10 U.S.C. 1589. Specifically, and in
