G. The Secretary's Determination

The Secretary has carefully reviewed the plan submitted by the MADOE and other relevant documentation. Based upon that review, the Secretary has determined that the conditions under section 459(a) of GEPA have been met.

This determination is based upon the best information available to the Secretary at the present time. If this information is not accurate or complete, the Secretary is not precluded from taking appropriate administrative action. In finding that the conditions of section 459(a) of GEPA have been met, the Secretary makes no determination concerning any pending audit recommendations or other investigations.

H. Notice of the Secretary's Intent To Enter Into a Grantback Arrangement

Section 459(d) of GEPA requires that, at least 30 days before entering into an agreement to award funds under a grantback arrangement, the Secretary publish in the **Federal Register** a notice of intent to do so, and the terms and conditions under which the payment will be made.

In accordance with section 459(d) of GEPA, notice is hereby given that the Secretary intends to make funds available to the MADOE under a grantback agreement. The grantback award would be in the amount of \$1,824,471, which is 75 percent—the maximum percentage authorized by GEPA—of the principal recovered by the Department as a result of the final audit determinations and resolution of the Perkins III-related claims.

I. Terms and Conditions Under Which Payments Under a Grantback Arrangement Would Be Made

The MADOE has agreed to comply with the following terms and conditions under which payment under a grantback arrangement would be made:

(1) The MADOE will expend the funds awarded under the grantback in accordance with —

(a) All applicable statutory and regulatory requirements, and

(b) The plan that was submitted and any amendments to the plan that are

approved in advance by the Secretary; and

(2) All funds received under this grantback arrangement must be obligated by September 30, 2004, in accordance with section 459(c) of GEPA and the MADOE's plan;

(3) The MADOE will, no later than 90 calendar days after the expiration date of the approved grantback award, submit a report to the Secretary that—

(a) Indicates that the funds awarded under the grantback have been expended in accordance with the proposed plan, and

(b) Describes the results and effectiveness of the projects for which the funds were spent; and

(4) Separate accounting records must be maintained documenting the expenditures of funds awarded under the grantback arrangement.
