**SUPPLEMENTARY INFORMATION:**

*Background.*—On October 5, 2009,  
the Commission determined that  
responses to its notice of institution of  
the subject five-year reviews were such  
that full reviews pursuant to section  
751(c)(5) of the Act should proceed (74  
FR 54069, October 21, 2009). A record  
of the Commissioners' votes, the  
Commission's statement on adequacy,  
and any individual Commissioner's  
statements are available from the Office  
of the Secretary and at the  
Commission's Web site.

*Participation in the reviews and  
public service list.*—Persons, including  
industrial users of the subject  
merchandise and, if the merchandise is  
sold at the retail level, representative  
consumer organizations, wishing to  
participate in these reviews as parties  
must file an entry of appearance with  
the Secretary to the Commission, as  
provided in section 201.11 of the  
Commission's rules, by 45 days after  
publication of this notice. A party that  
filed a notice of appearance following  
publication of the Commission's notice  
of institution of the reviews need not  
file an additional notice of appearance.  
The Secretary will maintain a public  
service list containing the names and  
addresses of all persons, or their  
representatives, who are parties to the  
reviews.

*Limited disclosure of business  
proprietary information (BPI) under an  
administrative protective order (APO)  
and BPI service list.*—Pursuant to  
section 207.7(a) of the Commission's  
rules, the Secretary will make BPI  
gathered in these reviews available to  
authorized applicants under the APO  
issued in the reviews, provided that the  
application is made by 45 days after  
publication of this notice. Authorized  
applicants must represent interested  
parties, as defined by 19 U.S.C. 1677(9),  
who are parties to the reviews. A party  
granted access to BPI following  
publication of the Commission's notice  
of institution of the reviews need not  
reapply for such access. A separate  
service list will be maintained by the  
Secretary for those parties authorized to  
receive BPI under the APO.

*Staff report.*—The prehearing staff  
report in the reviews will be placed in  
the nonpublic record on April 7, 2010,  
and a public version will be issued  
thereafter, pursuant to section 207.64 of  
the Commission's rules.

*Hearing.*—The Commission will hold  
a hearing in connection with the  
reviews beginning at 9:30 a.m. on April  
27, 2010, at the U.S. International Trade  
Commission Building. Requests to  
appear at the hearing should be filed in  
writing with the Secretary to the  
Commission on or before April 20, 2010.

A nonparty who has testimony that may  
aid the Commission's deliberations may  
request permission to present a short  
statement at the hearing. All parties and  
nonparties desiring to appear at the  
hearing and make oral presentations  
should attend a prehearing conference  
to be held at 9:30 a.m. on April 22,  
2010, at the U.S. International Trade  
Commission Building. Oral testimony  
and written materials to be submitted at  
the public hearing are governed by  
sections 201.6(b)(2), 201.13(f), 207.24,  
and 207.66 of the Commission's rules.  
Parties must submit any request to  
present a portion of their hearing  
testimony *in camera* no later than 7  
business days prior to the date of the  
hearing.

*Written submissions.*—Each party to  
the reviews may submit a prehearing  
brief to the Commission. Prehearing  
briefs must conform with the provisions  
of section 207.65 of the Commission's  
rules; the deadline for filing is April 16,  
2010. Parties may also file written  
testimony in connection with their  
presentation at the hearing, as provided  
in section 207.24 of the Commission's  
rules, and posthearing briefs, which  
must conform with the provisions of  
section 207.67 of the Commission's  
rules. The deadline for filing  
posthearing briefs is May 6, 2010;  
witness testimony must be filed no later  
than three days before the hearing. In  
addition, any person who has not  
entered an appearance as a party to the  
reviews may submit a written statement  
of information pertinent to the subject of  
the reviews on or before May 6, 2010.  
On May 28, 2010, the Commission will  
make available to parties all information  
on which they have not had an  
opportunity to comment. Parties may  
submit final comments on this  
information on or before June 2, 2010,  
but such final comments must not  
contain new factual information and  
must otherwise comply with section  
207.68 of the Commission's rules. All  
written submissions must conform with  
the provisions of section 201.8 of the  
Commission's rules; any submissions  
that contain BPI must also conform with  
the requirements of sections 201.6,  
207.3, and 207.7 of the Commission's  
rules. The Commission's rules do not  
authorize filing of submissions with the  
Secretary by facsimile or electronic  
means, except to the extent permitted by  
section 201.8 of the Commission's rules,  
as amended, 67 FR 68036 (November 8,  
2002). Even where electronic filing of a  
document is permitted, certain  
documents must also be filed in paper  
form, as specified in II (C) of the  
Commission's Handbook on Electronic

Filing Procedures, 67 FR 68168, 68173 (November 8, 2002).

Additional written submissions to the Commission, including requests pursuant to section 201.12 of the Commission's rules, shall not be accepted unless good cause is shown for accepting such submissions, or unless the submission is pursuant to a specific request by a Commissioner or Commission staff.

In accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

**Authority:** These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

Issued: November 18, 2009.

By order of the Commission.

## INTERNATIONAL TRADE COMMISSION

**[Investigation Nos. 701-TA-473 and 731-TA-1173 (Preliminary)]**

### Certain Sodium and Potassium Phosphate Salts From China

#### Determinations

On the basis of the record<sup>1</sup> developed in the subject investigations, the United States International Trade Commission (Commission) determines, pursuant to sections 703(a) and 733(a) of the Tariff Act of 1930 (19 U.S.C. 1671b(a) and 1673b(a)) (the Act), that there is a reasonable indication that an industry producing monopotassium phosphate ("MKP"), provided for in subheading 2835.24.00 of the Harmonized Tariff Schedule in the United States, is materially injured or threatened with material injury by reason of imports from China, that are alleged to be subsidized by the Government of China and sold in the United States at less

than fair value (LTFV).<sup>2,3</sup> In addition, the Commission determines that there is a reasonable indication that industries producing dipotassium phosphate ("DKP") and tetrapotassium pyrophosphate ("TKPP"), provided for in subheadings 2835.24.00 and 2835.39.10 respectively, of the Harmonized Tariff Schedule of the United States, are threatened with material injury by reason of imports from China, that are alleged to be subsidized by the Government of China and sold in the United States at less than fair value (LTFV).<sup>4</sup> Finally, the Commission determines that there is no reasonable indication that an industry producing sodium tripolyphosphate ("STPP"), provided for in subheading 2835.31.00 of the Harmonized Tariff Schedule of the United States, is materially injured or threatened with material injury by reason of imports from China, that are alleged to be subsidized by the Government of China and sold in the United States at less than fair value (LTFV).

#### Commencement of Final Phase Investigations

Pursuant to section 207.18 of the Commission's rules, the Commission also gives notice of the commencement of the final phase of its investigations. The Commission will issue a final phase notice of scheduling, which will be published in the **Federal Register** as provided in section 207.21 of the Commission's rules, upon notice from the Department of Commerce (Commerce) of affirmative preliminary determinations in the investigations under sections 703(b) or 733(b) of the Act, or, if the preliminary determinations are negative, upon notice of affirmative final determinations in those investigations under sections 705(a) or 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigations need not enter a separate appearance for the final phase of the investigations. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations

have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

#### Background

On September 24, 2009, a petition was filed with the Commission and Commerce by ICL Performance Products LP, St. Louis, MO and Prayon, Inc., Augusta, GA alleging that an industry in the United States is materially injured or threatened with material injury by reason of LTFV and subsidized imports of certain sodium and potassium phosphate salts from China. Accordingly, effective September 24, 2009, the Commission instituted countervailing duty investigation No. 701-TA-473 and antidumping duty investigation No. 731-TA-1173 (Preliminary).

Notice of the institution of the Commission's investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC and by publishing the notice in the **Federal Register** of October 1, 2009 (74 FR 50817). The conference was held in Washington, DC, on October 15, 2009, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determinations in these investigations to the Secretary of Commerce on November 9, 2009. The views of the Commission are contained in USITC Publication 4110 (November 2009), entitled *Certain Sodium and Potassium Phosphate Salts From China* (Preliminary).

By order of the Commission.

Issued: November 17, 2009.
