*Title of Proposal:* Evaluation of the Rapid Re-housing for Homeless Families Demonstration Program.*OMB Control Number:* XXXX—pending.

*Description of the need for the information and proposed use:* The Participation Agreement (for the collection of informed consent and contact information), the 6-month Tracking Letter, and the Participant Follow-up Survey Instruments are all necessary to conduct the evaluation of the Rapid Re-Housing for Families Demonstration Program.

The FY 2008 budget for the U.S. Department of Housing and Urban Development (H.R. 2764) included a \$25 million set-aside to implement a Rapid Re-housing for Families Demonstration (RRHD) Program “expressly for the purposes of providing housing and services to homeless families.” Also included in the legislation was a requirement that there be an evaluation of the demonstration program “in order to evaluate the effectiveness of the rapid re-housing approach in addressing the needs of homeless families.” These instruments establish the research foundation on which the Department can meet that direction. They will permit the research team to identify a cohort of RRHD program participants and to track and measure the outcomes of participants 12 months after program completion.
