

explanation of the collection activities and the burden estimate that is only briefly summarized here:

Respondents/Affected Entities: Entities potentially affected by this ICR are pesticide user companies and organizations, or entities that practice IPM or promote the use of IPM through education and training. EPA expects that most respondents will come from the following industries: Agriculture, Forestry, Fishing and Hunting (NAICS Code 11), Crop Production (NAICS Code 111), Nursery and Floriculture Production (NAICS Code 11142), Nursery and Tree Production (NAICS Code 111421), Forestry and Logging (NAICS Code 113), Utilities (NAICS Code 22), Electric Power Generation, Transmission and Distribution (NAICS Code 2211), Services to Buildings and Dwellings (NAICS Code 5617), Exterminating and Pest Control Services (NAICS Code 56171), Janitorial Services (NAICS Code 56172), Landscaping Services (NAICS Code 56173), Elementary and Secondary Schools (NAICS Code 6111), Junior Colleges (NAICS Code 6112), Colleges, Universities, and Professional Schools (NAICS Code 6113), Hospitals (NAICS Code 622), Child Day Care Services (NAICS Code 6244), Golf Courses and Country Clubs (NAICS Code 71391), and Environment, Conservation and Wildlife Organizations (NAICS Code 813312).

Estimated total number of potential respondents: 419.

Frequency of response: Annual and on occasion.

Estimated total average number of responses for each respondent:

Respondents submit a one-time PESP Membership application, an annual survey, and a PEST strategy every five years.

Estimated total annual burden hours: 47,665 hours.

Estimated total annual costs: \$ 3,073,383. This is the estimated burden cost; there are no capital investment or maintenance and operational costs for this information collection.

III. Are there changes in the estimates from the last approval?

There is an increase of 4642 hours in the total estimated respondent burden compared with that identified in the ICR currently approved by OMB. This increase reflects EPA's updating of burden estimates for this collection based upon historical information on the number of PESP members. Members are classified as IMP Promoters, IPM Users, and National IMP Users. Based on revised estimates, the number of IMP Promoters has decreased, the number of IMP users has increased, and the

number of National IPM users has not changed. While the estimated burden per response has not changed for any category, the shift in memberships has resulted in a net increase in the overall burden. This change is an adjustment.

IV. What is the next step in the process for this ICR?

EPA will consider the comments received and amend the ICR as appropriate. The final ICR package will then be submitted to OMB for review and approval pursuant to 5 CFR 1320.12. EPA will issue another **Federal Register** document pursuant to 5 CFR 1320.5(a)(1)(iv) to announce the submission of the ICR to OMB and the opportunity to submit additional comments to OMB. If you have any questions about this ICR or the approval process, please contact the person listed under **FOR FURTHER INFORMATION CONTACT**.

Authority: 44 U.S.C. 3501 *et seq.*

Dated: March 14, 2016.

Louise P. Wise,

Acting Assistant Administrator, Office of Chemical Safety and Pollution Prevention.

Information Collection Request Submitted to OMB for Review and Approval; Comment Request; State and Federal Emission Guidelines for Hospital/Medical/Infectious Waste Incinerators (Renewal)

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The Environmental Protection Agency has submitted an information collection request (ICR), "State and Federal Emission Guidelines for Hospital/Medical/Infectious Waste Incinerators (40 CFR part 60, subpart Ce and 40 CFR part 62, subpart HHH) (Renewal)" (EPA ICR No. 1899.08, OMB Control No. 2060-0422) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*). This is a proposed extension of the ICR, which is currently approved through March 31, 2016. Public comments were previously requested via the **Federal Register** (80 FR 32116) on June 5, 2015 during a 60-day comment period. This notice allows

for an additional 30 days for public comments. A fuller description of the ICR is given below, including its estimated burden and cost to the public. An Agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

DATES: Additional comments may be submitted on or before April 20, 2016.

ADDRESSES: Submit your comments, referencing Docket ID Number EPA-HQ-OECA-2011-0272, to (1) EPA online using www.regulations.gov (our preferred method), by email to docket.oeca@epa.gov, or by mail to: EPA Docket Center, Environmental Protection Agency, Mail Code 28221T, 1200 Pennsylvania Ave. NW., Washington, DC 20460, and (2) OMB via email to oira_submission@omb.eop.gov. Address comments to OMB Desk Officer for EPA.

EPA's policy is that all comments received will be included in the public docket without change including any personal information provided, unless the comment includes profanity, threats, information claimed to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute.

FOR FURTHER INFORMATION CONTACT: Patrick Yellin, Monitoring, Assistance, and Media Programs Division, Office of Compliance, Mail Code 2227A, Environmental Protection Agency, 1200 Pennsylvania Ave. NW., Washington, DC 20460; telephone number: (202) 564-2970; fax number: (202) 564-0050; email address: yellin.patrick@epa.gov.

SUPPLEMENTARY INFORMATION: Supporting documents which explain in detail the information that the EPA will be collecting are available in the public docket for this ICR. The docket can be viewed online at www.regulations.gov or in person at the EPA Docket Center, EPA West, Room 3334, 1301 Constitution Ave. NW., Washington, DC. The telephone number for the Docket Center is 202-566-1744. For additional information about EPA's public docket, visit <http://www.epa.gov/dockets>.

Abstract: Owners and operators of affected facilities are required to comply with reporting and record keeping requirements for the general provisions of 40 CFR part 60, subpart A and 40 CFR part 62, subpart A as well as the specific requirements at 40 CFR part 60, subpart Ce and 40 CFR part 62, subpart HHH. This includes submitting initial notifications, performance tests and periodic reports and results, and maintaining records of the occurrence

and duration of any startup, shutdown, or malfunction in the operation of an affected facility, or any period during which the monitoring system is inoperative. These reports are used by EPA to determine compliance with the standards.

Form Numbers: None.

Respondents/affected entities: Hospital, medical, infectious waste incinerators.

Respondent's obligation to respond: Mandatory (40 CFR part 60, subpart Ce and Part 62, Subpart HHH).

Estimated number of respondents: 58 (total).

Frequency of response: Initially, occasionally, semiannually and annually.

Total estimated burden: 38,800 hours (per year). Burden is defined at 5 CFR 1320.3(b).

Total estimated cost: \$4,370,000 (per year), includes \$479,000 annualized capital or operation & maintenance costs.

Changes in the Estimates: There is an overall decrease in the respondent and Agency burden currently identified in the OMB Inventory of Approved Burdens due to a decrease in the respondent universe since the previous ICR. Based on the 2013 Agency analysis, 21 HMIWI units (16 privately owned, 1 federally owned, and 4 state owned) have been shut down over the past several years. The revised estimate results in a decreased in respondent labor hours, number of responses, and capital/O&M costs.

However, there is a slight adjustment increase in respondent hours for States due to a change in assumption. In this ICR, we assume all respondents will take some time to re-familiarize themselves with the regulatory requirements.

Courtney Kerwin,

Acting Director, Collection Strategies Division.

Agency Information Collection Activities; Proposed Collection (EPA ICR No. 2531.01); Comment Request

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: In compliance with the Paperwork Reduction Act (PRA), this

document announces that the Environmental Protection Agency (EPA) is planning to submit an Information Collection Request (ICR) to the Office of Management and Budget (OMB). The ICR, entitled: "School Integrated Pest Management Awards Program" and identified by EPA ICR No. 2531.01 and OMB Control No. 2070-NEW, represents a new request. Before submitting the ICR to OMB for review and approval, EPA is soliciting comments on specific aspects of the proposed information collection that is summarized in this document. The ICR and accompanying material are available in the docket for public review and comment.

DATES: Comments must be received on or before May 20, 2016.

ADDRESSES: Submit your comments, identified by docket identification (ID) number EPA-HQ-OPP-2016-0047, by one of the following methods:

- *Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the online instructions for submitting comments. Do not submit electronically any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute.

- *Mail:* OPP Docket, Environmental Protection Agency Docket Center (EPA/DC), (28221T), 1200 Pennsylvania Ave. NW., Washington, DC 20460-0001.

- *Hand Delivery:* To make special arrangements for hand delivery or delivery of boxed information, please follow the instructions at <http://www.epa.gov/dockets/contacts.html>.

Additional instructions on commenting or visiting the docket, along with more information about dockets generally, is available at <http://www.epa.gov/dockets>.

FOR FURTHER INFORMATION CONTACT: Lily G. Negash, Field & External Affairs Division (7506P), Office of Pesticide Programs, Environmental Protection Agency, 1200 Pennsylvania Ave. NW., Washington, DC 20460-0001; telephone number: (703) 347-8515; email address: negash.lily@epa.gov.

SUPPLEMENTARY INFORMATION:

I. What information is EPA particularly interested in?

Pursuant to PRA section 3506(c)(2)(A) (44 U.S.C. 3506(c)(2)(A)), EPA specifically solicits comments and information to enable it to:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Agency, including whether the information will have practical utility.

2. Evaluate the accuracy of the Agency's estimates of the burden of the proposed collection of information, including the validity of the methodology and assumptions used.

3. Enhance the quality, utility, and clarity of the information to be collected.

4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses. In particular, EPA is requesting comments from very small businesses (those that employ less than 25) on examples of specific additional efforts that EPA could make to reduce the paperwork burden for very small businesses affected by this collection.

II. What information collection activity or ICR does this action apply to?

Title: School Integrated Pest Management Awards Program.

ICR number: EPA ICR No. 2531.01.

OMB control number: OMB Control No. 2070-NEW.

ICR status: This ICR is for a new information collection activity. An Agency may not conduct or sponsor, and a person is not required to respond to, a collection of information, unless it displays a currently valid OMB control number. The OMB control numbers for EPA's regulations in title 40 of the Code of Federal Regulations (CFR), after appearing in the **Federal Register** when approved, are listed in 40 CFR part 9, are displayed either by publication in the **Federal Register** or by other appropriate means, such as on the related collection instrument or form, if applicable. The display of OMB control numbers for certain EPA regulations is consolidated in 40 CFR part 9.

Abstract: This new ICR covers information collection activities associated with EPA's award program that encourages the use of Integrated Pest Management (IPM) as the preferred approach to pest control in the nation's schools. IPM is a smart, sensible, and sustainable approach to pest control that emphasizes the remediation of pest conducive conditions. IPM combines a variety of pest management practices to provide effective, economical pest control with the least possible hazard to people, property, and the environment. These practices involve exclusion of pests, maintenance of sanitation, and the judicious use of pesticides. The EPA's statutory authorities for this collection of information are set forth in the Pollution Prevention Act of 1990,
