SUPPLEMENTARY INFORMATION: Effective June 8, 2023, the Commission established a general schedule for the conduct of the final phase of its countervailing duty and antidumping duty investigations on gas powered pressure washers from China and Vietnam (88 FR 40865, June 22, 2023), following preliminary determinations by the U.S. Department of Commerce (“Commerce”) that imports of gas powered pressure washers from China were being subsidized by the government of China (88 FR 36531, June 5, 2023) and that imports of gas powered pressure washers from Vietnam are being sold in the United States at less than fair value (88 FR 39221, June 15, 2023). Subsequently, on August 3, 2023, Commerce issued a preliminary affirmative antidumping duty determination with respect to gas powered pressure washers from China (88 FR 51279). Notice of the scheduling of the final phase of the Commission's investigations and of a public hearing held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** on June 22, 2023 (88 FR 40865). All persons who requested the opportunity were permitted to participate.

Commerce issued a final affirmative antidumping duty determination with respect to gas powered pressure washers from Vietnam (88 FR 59503, August 29, 2023). The Commission subsequently issued its final determination that an industry in the United States was materially injured by reason of imports of gas powered pressure washers from Vietnam provided for in subheadings 8424.30.90 and 8424.90.90 of the Harmonized Tariff Schedule of the

United States (“HTSUS”) that have been found by Commerce to be sold in the United States at less than fair value (88 FR 71885, October 18, 2023).

Commerce has issued a final affirmative antidumping duty determination (88 FR 88365, December 21, 2023) and a final affirmative countervailing duty determination (88 FR 88578, December 22, 2023) with respect to gas powered pressure washers from China. Accordingly, the Commission currently is issuing a supplemental schedule for its countervailing duty and antidumping duty investigations on imports of gas powered pressure washers from China.

This supplemental schedule is as follows: the deadline for filing supplemental party comments on Commerce's final countervailing duty and antidumping duty determinations is 5:15 p.m. on January 5, 2024. Supplemental party comments may address only Commerce's final countervailing duty and antidumping duty determinations regarding imports of gas powered pressure washers from China. These supplemental final comments may not contain new factual information and may not exceed five (5) pages in length. The supplemental staff report in the final phase of the current investigations will be placed in the nonpublic record on January 17, 2024, and a public version will be issued thereafter.

For further information concerning this proceeding see the Commission's notice cited above and the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207).

Additional written submissions to the Commission, including requests pursuant to section 201.12 of the Commission's rules, shall not be accepted unless good cause is shown for

accepting such submissions, or unless the submission is pursuant to a specific request by a Commissioner or Commission staff.

In accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the investigations must be served on all other parties to the investigations (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Please note the Secretary's Office will accept only electronic filings during this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>.) No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

SUMMARY: The Commission hereby gives notice that it has instituted reviews pursuant to the Tariff Act of 1930 ("the Act"), as amended, to determine whether revocation of the countervailing duty order on rubber bands from China and the antidumping duty orders on rubber bands from China and Thailand would be likely to lead to continuation or recurrence of material injury. SUPPLEMENTARY INFORMATION:

Background.—On February 19, 2019, the Department of Commerce ("Commerce") issued antidumping and countervailing duty orders on imports of rubber bands from China (84 FR 4774). On April 26, 2019, Commerce issued an antidumping duty order on imports of rubber bands from Thailand (84 FR 17779). The Commission is conducting reviews pursuant to section 751(c) of the Act, as amended (19 U.S.C. 1675(c)), to determine whether revocation of the orders would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. Provisions concerning the conduct of this proceeding may be found in the Commission's Rules of Practice and Procedure at 19 CFR part 201, subparts A and B, and 19 CFR part 207, subparts A and F. The Commission will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct full or expedited reviews. The Commission's determinations in any expedited reviews will be based on the facts available, which may include information provided in response to this notice.

Definitions.—The following definitions apply to these reviews:

(1) *Subject Merchandise* is the class or kind of merchandise that is within the scope of the five-year reviews, as defined by Commerce.

(2) The *Subject Countries* in these reviews are China and Thailand.

(3) The *Domestic Like Product* is the domestically produced product or products which are like, or in the absence of like, most similar in characteristics and uses with, the *Subject Merchandise*. In its original

determinations, the Commission defined a single *Domestic Like Product* consisting of rubber bands, coextensive with Commerce's scope.

(4) The *Domestic Industry* is the U.S. producers as a whole of the *Domestic Like Product*, or those producers whose collective output of the *Domestic Like Product* constitutes a major proportion of the total domestic production of the product. In its original determinations, the Commission defined the *Domestic Industry* as all U.S. producers of the domestic like product.

(5) The *Order Dates* are the dates that the antidumping and countervailing duty orders under review became effective. In these reviews, the *Order Date* with respect to China is February 19, 2019, and the *Order Date* with respect to Thailand is April 26, 2019.

(6) An *Importer* is any person or firm engaged, either directly or through a parent company or subsidiary, in importing the *Subject Merchandise* into the United States from a foreign manufacturer or through its selling agent.

Participation in the proceeding and public service list.—Persons, including industrial users of the *Subject Merchandise* and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the proceeding as parties must file an entry of appearance with the Secretary to the Commission, as provided in § 201.11(b)(4) of the Commission's rules, no later than 21 days after publication of this notice in the **Federal Register**. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the proceeding.

Former Commission employees who are seeking to appear in Commission five-year reviews are advised that they may appear in a review even if they participated personally and substantially in the corresponding underlying original investigation or an earlier review of the same underlying investigation. The Commission's designated agency ethics official has advised that a five-year review is not the same particular matter as the underlying original investigation, and a five-year review is not the same particular matter as an earlier review of the same underlying investigation for purposes of 18 U.S.C. 207, the post-employment statute for Federal employees, and Commission rule 201.15(b) (19 CFR 201.15(b)), 79 FR 3246 (Jan. 17, 2014), 73 FR 24609 (May 5, 2008). Consequently, former employees are not required to seek Commission approval to appear in a review under Commission
