

The filings are accessible in the Commission's eLibrary system (<https://elibrary.ferc.gov/idmws/search/fercgensearch.asp>) by querying the docket number.

Any person desiring to intervene, to protest, or to answer a complaint in any of the above proceedings must file in accordance with Rules 211, 214, or 206 of the Commission's Regulations (18 CFR 385.211, 385.214, or 385.206) on or before 5:00 p.m. Eastern time on the specified comment date. Protests may be considered, but intervention is necessary to become a party to the proceeding.

eFiling is encouraged. More detailed information relating to filing requirements, interventions, protests, service, and qualifying facilities filings can be found at: <http://www.ferc.gov/docs-filing/efiling/filing-req.pdf>. For other information, call (866) 208-3676 (toll free). For TTY, call (202) 502-8659.

The Commission's Office of Public Participation (OPP) supports meaningful public engagement and participation in Commission proceedings. OPP can help members of the public, including landowners, community organizations, Tribal members and others, access publicly available information and navigate Commission processes. For public inquiries and assistance with making filings such as interventions, comments, or requests for rehearing, the public is encouraged to contact OPP at (202) 502-6595 or [OPP@ferc.gov](mailto:OPP@ferc.gov).

Reese, Secretary, Federal Energy Regulatory Commission, 12225 Wilkins Avenue, Rockville, Maryland 20852. All

filings must clearly identify the project name and docket number on the first page: East Foreland Tidal Energy Project (P-15116-001). Any individual or entity interested in submitting comments on the pre-filing materials must do so by May 17, 2025.

l. With this notice, we are approving ORPC's request to be designated as the non-federal representative for section 7 of the ESA and its request to initiate consultation under section 106 of the National Historic Preservation Act; and recommending that it begin informal consultation with: (a) the U.S. Fish and Wildlife Service and NOAA Fisheries as required by section 7 of ESA; and (b) the Alaska State Historic Preservation Officer, as required by section 106 of the National Historic Preservation Act, and the implementing regulations of the Advisory Council on Historic Preservation at 36 CFR 800.2.

m. With this notice, we also are asking federal, state, local, and tribal agencies with jurisdiction and/or expertise with respect to environmental issues to cooperate with us in the preparation of the environmental document. Agencies who would like to request cooperating status should follow the instructions for filing comments described in paragraph "k" above.

n. This notice does not constitute the Commission's approval of ORPC's request to use the Pilot Project Licensing Procedures. Upon its review of the project's overall characteristics relative to the pilot project criteria, the draft license application contents, and any comments filed, the Commission will determine whether there is adequate information to conclude the pre-filing process.

o. *The East Foreland Tidal Energy Project would consist of:* (1) a 1.75-megawatt (MW) Proteus Marine Renewables AR1750 tidal device and associated anchoring system; (2) a 0.23 MW ORPC TidGen80® tidal device and associated mooring system; (3) two dedicated power and data cables running from the tidal devices to respective shore stations; (4) four pre-fabricated standard shipping container shore stations; (5) a transmission line; and (6) appurtenant facilities. The project would have a total estimated average annual generation of 6,078,000 kilowatt hours per year.

p. A copy of the draft license application and all pre-filing materials are available for review on the Commission's website (<http://www.ferc.gov>), using the "eLibrary" link. Enter the docket number, excluding the last three digits of the sub-docket in the docket number field, to access documents. For assistance,

contact FERC Online Support. A copy is also available via the contact in paragraph h.

q. Pre-filing Process Schedule. The pre-filing process will be conducted pursuant to the following tentative schedule. Revisions to the schedule below may be made based on staff's review of the draft application and any comments received.

Milestone	Date
