

identical, APHIS has concluded that the EA that is generated for field testing would also be applicable to the proposed licensing action. Provided that the field test data support the conclusions of the original EA and the issuance of a FONSI, APHIS does not intend to issue a separate EA and FONSI to support the issuance of the product license, and would determine that an environmental impact statement need not be prepared. APHIS intends to issue a veterinary biological product license for this vaccine following completion of the field test provided no adverse impacts on the human environment are identified and provided the product meets all other requirements for licensing.

Authority: 21 U.S.C. 151–159.

DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: Bureau of Industry and Security.

Title: Five-Year Records Retention Requirement for Export Transactions and Boycott Actions.

OMB Control Number: 0694-0096.

Form Number(s): N/A.

Type of Request: Regular submission.

Burden Hours: 248.

Number of Respondents: 84,000,892.

Average Hours per Response: 1 second to 1 minute.

Needs and Uses: All parties involved in export transactions and the U.S. party involved in a boycott action are required to maintain records of these activities for a period of five years. These records can include memoranda, correspondence, contracts, invitations to bid, books of account, financial records, restrictive trade practice or boycott documents and reports. The five-year record retention period corresponds with the five-year statute of limitations for criminal actions brought under the Export Administration Act of 1979 and predecessor acts, and the five-year statute for administrative compliance proceedings. Without this authority, potential violators could discard records demonstrating violations of the Export Administration Regulations prior to the expiration of the five-year statute of limitations.

Affected Public: Business and other for-profit organizations.

Frequency: On occasion.

Respondent's Obligation: Mandatory.

OMB Desk Officer: Jasmeet Seehra, (202) 395-3123.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, Room 6616, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dHynek@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Jasmeet Seehra, Office of Management and Budget (OMB), by e-mail to jseehra@omb.eop.gov, or by fax to (202) 395-5167.

Dated: March 3, 2011.

DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and

Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: U.S. Census Bureau.

Title: 2012 Economic Census Classification Report for the Construction, Manufacturing, and Mining Sectors and Selected Wholesale Industries.

OMB Control Number: 0607-0925.

Form Number(s): NC-99026.

Type of Request: Reinstatement, with change of an expired collection.

Burden Hours: 6,250.

Number of Respondents: 75,000.

Average Hours Per Response: 5 minutes.

Needs and Uses: The Economic Census and current business surveys represent the primary source of facts about the structure and function of the U.S. economy, providing essential information to government and the business community in making sound decisions. This information helps build the foundation for the calculation of Gross Domestic Product (GDP) and other economic indicators. Crucial to its success is the accuracy and reliability of the Business Register data, which provides the Economic Census and current business surveys with their establishment lists.

Critical to the quality of data in the Business Register is that establishments are assigned an accurate economic classification, based on the North American Industry Classification System (NAICS). The primary purpose of the "2012 Economic Census Classification Report for the Construction, Manufacturing, and Mining Sectors and Selected Wholesale Industries" or NC-99026, is to meet this need.

New businesses are assigned NAICS codes by the Social Security Administration (SSA); however, many of these businesses cannot be assigned detailed NAICS codes, because insufficient data are provided by respondents on the Internal Revenue Service (IRS) Form SS-4. This report, conducted in fiscal years 2012 and 2013, will mail approximately 75,000 businesses per year that have been partially classified in the Construction, Manufacturing, or Mining sectors. Additionally, Wholesale establishments currently classified in select industries will be sampled in order to verify correct classification due to 2012 NAICS changes. Businesses selected for the sample will be asked to provide data on primary business activity in order to assign proper industry classification,

thus maintaining proper coverage of the business universe.

No wording or ordering changes have been made to the NC-99026 form since the last request was submitted for an OMB clearance in 2006. However, for the first time, respondents will have the option to report electronically via the Internet.

The NC-99026 form will be used to update the classification codes contained in the Business Register, ensuring establishments will be tabulated in the correct detailed industry for the 2012 Economic Census and in succeeding economic surveys. Information obtained from these establishments will also be included in the Census Bureau's County Business Patterns (CBP) publications. CBP publications provide annual data on establishment counts, employment, and payroll for all sectors of the economy at national, state, and county levels. The failure to collect this information will have an adverse effect on the quality and usefulness of economic statistics provided by the Census Bureau.

Affected Public: Business or other for-profit; Not-for-profit institutions.

Frequency: Every 5 years.

Respondent's Obligation: Mandatory.

Legal Authority: Title 13 U.S.C., Sections 131 & 224.

OMB Desk Officer: Brian Harris-Kojetin, (202) 395-7314.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, Room 6616, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dhynek@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Brian Harris-Kojetin, OMB Desk Officer either by fax (202-395-7245) or e-mail (bharrisk@omb.eop.gov).

Dated: March 4, 2011.
