<sup>3</sup>Domestic content procurement preferences include the following: section 313 of title 23, United States Code; section 5323(j) of title 49, United States Code; section 22905(a) of title 49, United States Code; section 50101 of title 49, United States Code; section 603 of the Federal Water Pollution Control Act (33 U.S.C. 1388); section 1452(a)(4) of the Safe Drinking Water Act (42 U.S.C. 300j–12(a)(4)); section 5035 of the Water Infrastructure Finance and Innovation Act of 2014 (33 U.S.C. 3 3914); any domestic content procurement preference included in an appropriations Act; and any other domestic content procurement preference in Federal law (including regulations). It does not include the Uniform Guidance.

<sup>4</sup>This is the number of entities receiving new Direct Component awards in each of the fiscal years indicated. This does not include entities with active awards received in prior years.

<sup>5</sup>The figures presented in this column include all new Treasury RESTORE Act funded obligations for the Direct Component Program (no Centers of Excellence Program obligations are included since that program does not fund any infrastructure or construction). This encompasses obligations related to all new awards, all monetary amendments, and all closeouts (the latter often resulting in a deobligation).

Paperwork Reduction Act (PRA) of 1995, Federal agencies are required to publish notice in the **Federal Register** concerning each proposed collection of information, including each proposed revision of a currently approved collection, and allow 60 days for public comment in response to the notice.

**DATES:** Written comments and recommendations on the proposed collection of information should be received on or before March 22, 2022.

*Authority:* 38 CFR 21.4252(h).

*Title:* Advertising, Sales, Enrollment Materials, and Candidate Handbooks.

*OMB Control Number:* 2900–0682.

*Type of Review:* Revision of a currently approved collection.

*Abstract:* This notice is replacing the previous 60-Day Notice, Vol. 86 No. 239 that was published on January 16, 2021. A Correction Notice was published in Vol. 87 No. 1 on January 3, 2022. The statute prohibits approval of the enrollment of a Veteran in a course if the educational institution uses advertising, sales, or enrollment practices that are erroneous, deceptive, or misleading either by actual statement, omission, or intimidation. The advertising, sales and enrollment materials are reviewed to determine if the institution is in compliance with guidelines for approval. VA received two public comments which questions the 15-minute length of burden time needed to gather the information required for VA review upon compliance for this ICR. After careful assessment, VA agrees with the comments, and have therefore adjusted the time burden from 15 minutes to 60 minutes accordingly, and as result have updated the Supporting Statement to reflect the change.

*Affected Public:* Individuals and Households.

*Estimated Annual Burden:* 5,525 hours.

*Estimated Average Burden per Respondent:* 60 minutes.

*Frequency of Response:* Annually.

*Estimated Number of Respondents:* 5,525.

By direction of the Secretary.

**Maribel Aponte,**

*VA PRA Clearance Officer, Office of Enterprise and Integration/Data Governance Analytics, Department of Veterans Affairs.*
