Foreign-Trade Zones Board

[B-06-2019]

Proposed Foreign-Trade Zone—Grand Junction, Colorado Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the Grand Junction Area Chamber of Commerce to establish a foreign-trade zone in the Grand Junction, Colorado area, under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR Sec. 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new "subzones" or "usage-driven" FTZ sites for operators/users located within a grantee's "service area" in the context of

the FTZ Board's standard 2,000-acre activation limit for a zone project. The proposed zone would be adjacent to the proposed U.S. Customs and Border Protection (CBP) user fee airport at the Grand Junction Regional Airport, which currently has received preliminary approval from CBP. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a–81u), and the regulations of the Board (15 CFR part 400). It was formally docketed on February 21, 2019. The applicant is authorized to make the proposal under Title 7, Article 49.5 of the Colorado Revised Statutes.

The applicant's proposed service area under the ASF would be Delta, Garfield and Mesa Counties, Colorado in their entirety and portions of Montrose and Rio Blanco Counties, Colorado, as described in the application. If approved, the applicant would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The proposed service area would be within and adjacent to the proposed Grand Junction Regional Airport CBP user fee airport.

The application indicates a need for zone services in the Grand Junction, Colorado area. Several firms have indicated an interest in using zone procedures for warehousing/distribution activities for a variety of products. The application is not requesting any magnet sites or subzones/usage-driven sites at this time. Specific production approvals are not being sought at this time. Such requests would be made to the FTZ Board on a case-by-case basis.

In accordance with the FTZ Board's regulations, Christopher Kemp of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary at the address below. The closing period for their receipt is April 29, 2019. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to May 13, 2019.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230-0002, and in the "Reading Room" section of the FTZ Board's website, which is accessible via www.trade.gov/ftz.

For further information, contact Christopher Kemp at *Christopher.Kemp@trade.gov* or (202) 482-0862.

Dated: February 21, 2019.

Executive Secretary.

Certain Steel Nails From Taiwan: Partial Rescission of Antidumping Duty Administrative Review; 2017– 2018

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is rescinding the administrative review, in part, of the antidumping duty order on certain steel nails from Taiwan for the period July 1, 2017, through June 30, 2018.

DATES: Applicable February 27, 2019.

FOR FURTHER INFORMATION CONTACT: Irene Gorelik, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-6905.

SUPPLEMENTARY INFORMATION:

Background

On September 10, 2018, based on timely requests for review for 86 companies by Mid Continent Steel & Wire, Inc. (Mid Continent), a domestic producer and interested party,¹ and various Taiwanese companies,² Commerce published in the **Federal Register** a notice of initiation of an administrative review of the antidumping duty order on certain steel nails from Taiwan covering the period July 1, 2017, through June 30, 2018.³

On October 5, 2018, Mid Continent withdrew its request for administrative review for 80 of the 86 companies in its

original request for review.⁴ No other party requested a review of these 80 companies.

Partial Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the publication of the notice of initiation of the requested review. Because all active requests for administrative review of the 80 companies listed in the Appendix were withdrawn by Mid Continent within 90 days of the date of publication of the *Initiation Notice*, and no other interested party requested a review of these 80 companies, Commerce is rescinding this review with respect to these companies in accordance with 19 CFR 351.213(d)(1). The administrative review remains active with respect to Liang Chyuan Industrial Co., Ltd., PT Enterprise, Inc. and its affiliated producer Pro-Team Coil Nail Enterprise, Inc. (collectively, PT); Unicatch Industrial Co. Ltd., Hor Liang Industrial Corp., and Romp Coil Nail Industries Inc.

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries at a rate equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period July 1, 2017, through June 30, 2018, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: February 22, 2019.

James Maeder,

Associate Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations performing the duties of Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
