I have determined that the damage in certain areas of the State of Utah resulting from severe winter storms and flooding during the period of December 20–24, 2010, is of sufficient severity and magnitude to warrant a major disaster declaration under the Robert T. You are authorized to provide assistance for debris removal and emergency protective measures under the Public Assistance program in the designated areas. Additional forms of assistance may be added after the State has adopted an approved Standard State Mitigation Plan.

Further, you are authorized to make changes to this declaration for the approved assistance to the extent allowable under the Stafford Act.

The Federal Emergency Management Agency (FEMA) hereby gives notice that pursuant to the authority vested in the Administrator, under Executive Order 12148, as amended, William J. Doran III, of FEMA is appointed to act as the Federal Coordinating Officer for this major disaster.
