Description: Section 185 of the Workforce Investment Act (WIA). (Pub. L. 105-220) requires funds recipients to keep records and submit such reports as may be required by the Secretary of Labor "to permit the tracing of funds to a level of expenditure adequate to ensure that the funds have not been spent unlawfully." The WIA Final Rules at 20 CFR 667.300 require annual plans and quarterly performance reports from all "direct grant recipients".

The primary uses of the data under WIA 167 Migrant and Seasonal Farmworker Youth Program are to provide material reports to the Secretary of Labor, respond to Congressional inquiries, support Congressional testimony on behalf of the program and to identify areas of technical assistance need and performance improvement. Data is also used to establish performance standards for each of the required performance measures per regulations at part 669, subpart D, sections 669.500 and 669.510.

Submission for OMB review; Comment Request

July 21, 2003.

The Department of Labor (DOL) has submitted the following public information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1994 (Pub. L. 104-13, 44 U.S.C. Chapter 35). A copy of this ICR, with applicable supporting documentation, may be obtained by calling the Department of Labor. To obtain documentation, contact Vanessa Reeves on (202) 693-4124 (this is not a toll-free number) or E-Mail: reeves.vanessa2@dol.gov.

Comments should be sent to Office of Information and Regulatory Affairs, Attn: OMB Desk Officer for the Employment and Training Administration (ETA), Office of Management and Budget, Room 10235, Washington, DC 20503 (202-395-7316 / this is not a toll-free number), within 30 days from the date of this publication in the **Federal Register**.

The OMB is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary

for the proper performance of the functions of the agency, including whether the information will have practical utility;

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Enhance the quality, utility, and clarity of the information to be collected; and

- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Agency: Employment and Training Administration.

Type of Review: Extension of a currently approved collection.

Title: Weekly Claims and Extended Benefits Data and Weekly Initial and Continued Weeks Claimed.

OMB Number: 1205-0028.

Affected Public: State, Local, or Tribal Government.

Type of Response: Reporting.

Frequency: Weekly.

Number of Respondents: 53.

Information collection requirement	Annual responses	Average response time (hours)	Annual burden hours
ETA 538	2,756	.50	1,378
ETA 539	2,756	.833	2,297
Total	5,512		3,675

Total Annualized Capital/Startup Costs: \$0.

Total Annual Costs (operating/maintaining systems or purchasing services): \$0.

Description: The ETA 538 and ETA 539 reports are weekly reports which contain information on initial claims and continued weeks claimed. These figures are important economic indicators. The ETA 538 provides information that allows national unemployment claims information to be released to the public five days after the close of the reference period. The ETA 539 contains more refined weekly claims detail and the state's 13-week insured unemployment rate, which is used to determine eligibility for the Extended Benefits program.

Minimum Wages for Federal and Federally Assisted Construction; General Wage Determination Decisions

General wage determination decisions of the Secretary of Labor are issued in accordance with applicable law and are based on the information obtained by the Department of Labor from its study of local wage conditions and data made available from other sources. They specify the basic hourly wage rates and fringe benefits which are determined to be prevailing for the described classes of laborers and mechanics employed on construction projects of a similar character and in the localities specified therein.

The determinations in these decisions of prevailing rates and fringe benefits have been made in accordance with 29 CFR part 1, by authority of the Secretary of Labor pursuant to the provisions of the Davis-Bacon Act of March 3, 1931, as amended (46 Stat. 1494, as amended, 40 U.S.C. 276a) and of other Federal statutes referred to in 29 CFR part 1, Appendix, as well as such additional statutes as may from time to time be enacted containing provisions for the payment of wages determined to be prevailing by the Secretary of Labor in accordance with the Davis-Bacon Act. The prevailing rates and fringe benefits determined in these decisions shall, in accordance with the provisions of the foregoing statutes, constitute the minimum wages payable on Federal and federally assisted construction projects to laborers and mechanics of the specified classes engaged on contract
