

Arms Export Control Act of major weapons or weapons-related defense equipment for \$7,000,000 or more, or of any other weapons or weapons-related defense equipment for \$25,000,000 or more, which are considered eligible for approval during calendar year 2011, together with an indication of which licensed commercial exports are deemed most likely to result in the issuance of an export license during 2011.

Javits Report entries for proposed Direct Commercial Sales should be submitted on the DS-4048 form to javitsreport@state.gov, no later than September 10, 2010. The DS-4048 form and instructions are located on the DDTC's Web site at http://www.pmdtc.state.gov/reports/javits_report.html. Submissions should be limited to those activities for which a prior marketing license or other approval from DDTC has been authorized and ongoing contract negotiations will result in either a procurement date in 2011 or the likely award of the contract to the reporting company during 2011. To complete the DS-4048 form, the following information is required: Country to which sale is proposed; Category of proposed sale (aircraft, missile, ships, satellite, etc.); Type of sale (direct commercial sale or foreign military sale); Value of proposed sale and quantity of items anticipated. Include a concise description of the article to be sold, including status of the proposed sale or export any details of what is expected to be included in the contract (maintenance, upgrade, etc.).

Dated: August 9, 2010.

Robert S. Kovac,
Managing Director, Directorate of Defense Trade Controls, Department of State.

DEPARTMENT OF STATE

[Public Notice 7125]

Bureau of Political-Military Affairs: Directorate of Defense Trade Controls; Notifications to the Congress of Proposed Commercial Export Licenses

SUMMARY: Notice is hereby given that the Department of State has forwarded the attached Notifications of Proposed Export Licenses to the Congress on the dates indicated on the attachments pursuant to sections 36(c) and 36(d) and in compliance with section 36(f) of the Arms Export Control Act (22 U.S.C. 2776).

DATES: *Effective Date:* As shown on each of the 3 letters.

FOR FURTHER INFORMATION CONTACT: Mr. Robert S. Kovac, Managing Director, Directorate of Defense Trade Controls, Bureau of Political-Military Affairs, Department of State (202) 663-2861.

SUPPLEMENTARY INFORMATION: Section 36(f) of the Arms Export Control Act mandates that notifications to the Congress pursuant to sections 36(c) and 36(d) must be published in the **Federal Register** when they are transmitted to Congress or as soon thereafter as practicable.

August 10, 2010 (Transmittal No. DDTC 109-024.)

Hon. Nancy Pelosi, Speaker of the House of Representatives.

Dear Madam Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed amendment to a technical assistance agreement for the export of defense articles, to include technical data, and defense services in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, to include technical data, and defense services for the Hughes Air Defense Radar and Air Defense System (HADAR) in Taiwan for the intermediate level operation, maintenance, installation, test, training, and repair of the HADAR system. Taiwan Air Force is the end user.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
Richard R. Verma,
Assistant Secretary, Legislative Affairs.

August 10, 2010 (Transmittal No. DDTC 10-027.)

Hon. Nancy Pelosi, Speaker of the House of Representatives.

Dear Madam Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed amendment to both a combined technical assistance agreement and manufacturing licensing agreement for the export of defense articles, to include technical data, and defense services, in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the manufacture of hardware and export of defense articles, to include technical data, and defense services, for the GD-53 Multimode Radar on Taiwan's Indigenous Defensive Fighter (IDF) Aircraft. The hardware manufactured abroad in conjunction with the manufacturing

licensing agreement associated with this notification consists of components of the GD-53 Multimode Radar. The end user is the Taiwan Ministry of National Defense.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
Richard R. Verma,
Assistant Secretary, Legislative Affairs.

August 5, 2010 (Transmittal No. DDTC 10-068.)

Hon. Nancy Pelosi, Speaker of the House of Representatives.

Dear Madam Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement to include the export of defense articles, including technical data, and defense services in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services for the sale and support of the VINASAT-2 Commercial Communications Satellite Program to Vietnam.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
Matthew Rooney,
Principal Deputy Assistant Secretary,
Legislative Affairs.
