

the Coastwise Trade Laws for the vessel *PRIME TIME*.

SUMMARY: As authorized by Pub. L. 105-383 and Pub. L. 107-295, the Secretary of Transportation, as represented by the Maritime Administration (MARAD), is authorized to grant waivers of the U.S.-build requirement of the coastwise laws under certain circumstances. A request for such a waiver has been received by MARAD. The vessel, and a brief description of the proposed service, is listed below. The complete application is given in DOT docket 2003-15938 at <http://dms.dot.gov>. Interested parties may comment on the effect this action may have on U.S. vessel builders or businesses in the U.S. that use U.S.-flag vessels. If MARAD determines, in accordance with Pub. L. 105-383 and MARAD's regulations at 46 CFR part 388 (68 FR 23084; April 30, 2003), that the issuance of the waiver will have an unduly adverse effect on a U.S.-vessel builder or a business that uses U.S.-flag vessels in that business, a waiver will not be granted. Comments should refer to the docket number of this notice and the vessel name in order for MARAD to properly consider the comments. Comments should also state the commenter's interest in the waiver application, and address the waiver criteria given in § 388.4 of MARAD's regulations at 46 CFR part 388.

DATES: Submit comments on or before September 19, 2003.

ADDRESSES: Comments should refer to docket number MARAD 2003-15938. Written comments may be submitted by hand or by mail to the Docket Clerk, U.S. DOT Dockets, Room PL-401, Department of Transportation, 400 7th St., SW., Washington, DC 20590-0001. You may also send comments electronically via the Internet at <http://dmses.dot.gov/submit/>. All comments will become part of this docket and will be available for inspection and copying at the above address between 10 a.m. and 5 p.m., E.T., Monday through Friday, except Federal holidays. An electronic version of this document and all documents entered into this docket is available on the World Wide Web at <http://dms.dot.gov>.

FOR FURTHER INFORMATION CONTACT: Michael Hokana, U.S. Department of Transportation, Maritime Administration, MAR-830 Room 7201, 400 Seventh Street, SW., Washington, DC 20590. Telephone 202-366-0760.

SUPPLEMENTARY INFORMATION: As described by the applicant the intended service of the vessel *PRIME TIME* is:

Intended Use: "Occasional charters along the west coast of the U.S. The

charters will be for six (6) to twelve (12) passengers for day or longer private charters."

Geographic Region: "Intended operations will be the west coast of the United States, from the Canadian border to the Mexican border, more specifically the region from the waters of Puget Sound and the San Juan Islands south to San Diego Bay. Therefore we are requesting a waiver that would be valid in the western coastal U.S. waters."

Dated: August 13, 2003.

By order of the Maritime Administrator.

Joel C. Richard,

Secretary, Maritime Administration.

BILLING CODE 4910–81–P

DEPARTMENT OF TRANSPORTATION

Surface Transportation Board

[STB Docket Nos. AB–855 (Sub–No. 1X) and AB–847 (Sub–No. 2X)]

A & R Line, Inc.—Abandonment Exemption—in Cass and Pulaski Counties, IN and Toledo, Peoria & Western Railway Corporation—Discontinuance of Service Exemption—in Cass and Pulaski Counties, IN

On July 31, 2003, A & R Line, Inc. (A&R) and Toledo, Peoria & Western Railway Corporation (TP&W) jointly filed with the Surface Transportation Board (Board) a petition under 49 U.S.C. 10502 for exemption from the provisions of 49 U.S.C. 10903. A&R seeks to abandon and TP&W seeks to discontinue service over a line of railroad known as the A&R line extending from milepost 5.1W near Kenneth to the end of the line at milepost 21.0W near Winamac, a distance of 15.9 miles in Cass and Pulaski Counties, IN. The line constitutes A&R's entire line of railroad. The line traverses United States Postal Service Zip Codes 47550, 46978, 46985 and 46996, and it includes the station of Winamac at milepost 21.0W.

The line does not contain federally granted rights-of-way. Any documentation in A&R's or TP&W's possession will be made available promptly to those requesting it.

The interest of railroad employees of TP&W will be protected by the conditions set forth in *Oregon Short Line R. Co.—Abandonment—Goshen*, 360 I.C.C. 91 (1979). The Board generally does not impose labor protective conditions on a railroad, such as A&R here, that is abandoning its entire line. See, *Northampton and Bath R. Co.—Abandonment*, 354 I.C.C. 784 (1978).

By issuance of this notice, the Board is instituting an exemption proceeding pursuant to 49 U.S.C. 10502(b). A final decision will be issued by November 18, 2003.

Any offer of financial assistance under 49 CFR 1152.27(b)(2) will be due no later than 10 days after service of a decision granting the petition for exemption. Each offer must be accompanied by a \$1,100 filing fee. See 49 CFR 1002.2(f)(25).

All interested persons should be aware that, following abandonment of rail service and salvage of the line, the line may be suitable for other public use, including interim trail use. Any request for a public use condition under 49 CFR 1152.28 or for trail use/rail

banking under 49 CFR 1152.29 will be due no later than September 9, 2003. Each trail use request must be accompanied by a \$150 filing fee. See 49 CFR 1002.2(f)(27).

All filings in response to this notice must refer to STB Docket Nos. AB–855 (Sub–No. 1X) and AB–847 (Sub–No. 2X) and must be sent to: (1) Surface Transportation Board, 1925 K Street NW., Washington, DC 20423–0001; and (2) Louis E. Gitomer, Ball Janik LLP, 1455 F St., NW., Suite 225, Washington, DC 20005. Replies to the petition are due on or before September 9, 2002.

Persons seeking further information concerning abandonment procedures may contact the Board's Office of Public Services at (202) 565–1592 or refer to the full abandonment or discontinuance regulations at 49 CFR part 1152.

Questions concerning environmental issues may be directed to the Board's Section of Environmental Analysis (SEA) at (202) 565–1539. [Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at 1–800–877–8339.]

An environmental assessment (EA) (or environmental impact statement (EIS), if necessary), prepared by SEA will be served upon all parties of record and upon any agencies or other persons who commented during its preparation. Other interested persons may contact SEA to obtain a copy of the EA (or EIS). EAs in these abandonment proceedings normally will be made available within 60 days of the filing of the petition. The deadline for submission of comments on the EA will generally be within 30 days of its service.

Board decisions and notices are available on our Web site at <http://www.stb.dot.gov>.

Decided: August 11, 2003.

By the Board, David M. Konschnik, Director, Office of Proceedings.

Vernon A. Williams,
Secretary.
