SUPPLEMENTARY INFORMATION: The New England Fishery Management Council's Monkfish Committee is holding public hearings for Amendment 5 to the Monkfish Fishery Management Plan (FMP). The primary purpose of this amendment is to address the new requirements of the Magnuson-Stevens Fishery Conservation and Management Reauthorization Act that the Council adopt Annual Catch Limits (ACLs) and Accountability Measures (AMs) and manage the fishery at long-term sustainable levels. According to the Act, these measures must be adopted by 2011. Amendment 5 will also include revised biological and management reference points to bring the FMP into compliance with revised National Standard 1 Guidelines. Further, Amendment 5 will specify total allowable catch targets and associated days-at-sea (DAS) and trip limits for the directed fishery to supplant the current specifications that it adopted for the 2007-09 fishing years along with an extension provision which will apply for the 2010 fishing year. Amendment 5 contains proposals to make modifications to the FMP to improve the Research Set-Aside (RSA) Program, to minimize bycatch resulting from trip limit overages, to accommodate those

vessels fishing in groundfish sectors who would no longer be required to use their allocated groundfish DAS, to require all limited access monkfish vessels to use a VMS when on a monkfish DAS, and to allow the landing of monkfish heads.

The public hearing document, as well as the draft Amendment 5 document incorporating an Environmental Assessment, is available on the Monkfish page of the Council's website (www.nefmc.org) or from the Council office.

After the close of the public comment period, the Monkfish Oversight Committee and Industry Advisory Panel will review the comments and develop recommendations to the New England and Mid-Atlantic Fishery Management Councils on the measures to be submitted as final action for Amendment 5. The Councils will make their decisions in April, 2010 for submission to the National Marine Fisheries Service (NMFS). If approved by NMFS, Amendment 5 will take effect at the start of the 2011 fishing year.

International Trade Administration

[A-570-847]

Persulfates From the People's Republic of China: Notice of Rescission of the 2008-2009 Administrative Review of the Antidumping Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* January 14, 2010.

FOR FURTHER INFORMATION CONTACT: Brandon Petelin, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-8173.

Background

On July 1, 2009, the Department of Commerce ("the Department") published a notice of opportunity to request an administrative review of the antidumping duty order on persulfates from the People's Republic of China ("PRC"). See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 74 FR 31406 (July 1, 2009). On July 31, 2009, FMC Corporation ("FMC"), a domestic producer of persulfates, requested that the Department conduct an administrative review of Shanghai AJ Import & Export Corporation—United Initiators (Shanghai) Co., Ltd.'s exports to the United States for the period of review ("POR") July 1, 2008, through June 30, 2009. Pursuant to this request, the Department published a notice of the initiation of the administrative review of the antidumping duty order on persulfates from the PRC. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 74 FR 42873 (August 25, 2009).

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of the notice of

initiation. On December 23, 2009, FMC timely withdrew its request for a review, and no other interested party requested a review of this company.¹ Therefore, the Department is rescinding this administrative review of the antidumping duty order on persulfates from the PRC covering the period July 1, 2008, through June 30, 2009, in accordance with 19 CFR 351.213(d)(1).

Assessment

The Department will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after the publication of this notice in the **Federal Register**.

Notification to Interested Parties

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Pursuant to 19 CFR 351.402(f)(3), failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the disposition of proprietary information disclosed under APO, in accordance with 19 CFR 351.305 and as explained in the APO itself. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: January 8, 2010.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
