Grant for Childhood Injury Prevention Program in Alaska; Notice of Availability of Funds

A. Purpose

The Centers for Disease Control and Prevention (CDC) announces the availability of fiscal year (FY) 2001 funds for a grant for a Childhood Injury Prevention Program in Alaska. This program addresses the "Healthy People 2010" focus area of Injury and Violence Prevention. The purpose of this program is to reduce injuries among Alaskan children.

B. Eligible Applicant

Assistance will be provided only to the Alaska Injury Prevention Center (AIPC). FY 2001 federal appropriations specifically directs CDC to award funds to this organization. No other applications are solicited.

Note: Title 2 of the United States Code, chapter 26, section 1611 states that an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 that engages in lobbying activities is not eligible to receive Federal funds constituting an award, grant, cooperative agreement, contract, loan, or any other form.

C. Availability of Funds

Approximately \$700,000 is available in FY 2001 to fund one award. It is expected that the award will begin on or about September 30, 2001, and will be made for a 12-month budget and project period. Approximately \$470,000 of this total is available for a statewide childhood injury prevention program in Alaska. Approximately \$230,000 of this total is available for collaboration with the State of Alaska Department of Health and Social Services.

Grant To Build Research Capacity in the Area of Behavioral Disorders and Youth Violence Notice of Availability of Funds

A. Purpose

The Centers for Disease Control and Prevention (CDC) announces the availability of fiscal year (FY) 2001 funds for a grant program to build research capacity in the area of behavioral disorders and youth violence. This program addresses the "Healthy People 2010" focus area of Violence and Abuse Prevention. The purpose of the program is to build capacity for further research that will discover new approaches to intervene and prevent complex behavior problems in children and youth resulting from genetic and environmental conditions in early childhood that significantly impact the problem of youth violence.

B. Eligible Applicants

Assistance will be provided only to the Kennedy Krieger Institute. No other applications are solicited.

Eligibility is limited only to the Kennedy Krieger Institute because fiscal year 2001 Federal Appropriations specifically directs CDC to award this non-profit institute funds to develop new approaches to help prevent youth violence and behavioral problems.

C. Availability of Funds

Approximately \$810,288 is available in FY 2001 to fund this award. It is expected that the award will begin on or about September 1, 2001, and will be

made for 12-month budget period within a project period of one year. Funding estimates may change.
