SUPPLEMENTARY INFORMATION:

Title of Collection: National Evaluation of the Alliances for Graduate Education and the Professoriate interview and focus group protocols.

OMB Approval Number: 3145–NEW.

Expiration Date of Approval: Not applicable.

Type of Request: Intent to seek approval to establish an information collection for one year.

Proposed Project: The Division of Human Resource Development of the Education and Human Resources Directorate (EHR/HRD) of the National Science Foundation has requested information on the Alliances for Graduate Education and the Professoriate (AGEP) Program. Funded by NSF, the AGEP Program has funded 5 alliances of postsecondary institutions to promote the participation of underrepresented minority students in PhD programs in the fields of social, behavioral and economic sciences (SBE). The ultimate goal of the program is to increase the number of underrepresented minorities in these fields who enter the professoriate. NSF seeks information from participants—that is, students and faculty—to determine what influence the program has had on minority graduate students' decisions to enroll in and graduate from SBE doctoral programs and enter the professoriate. NSF proposes one-time site visits to all universities within two of the five AGEP SBE alliances (a total of 11 institutions) to conduct interviews and/or focus groups with AGEP SBE program staff, as well as faculty members and graduate students who participate in AGEP-funded activities.

Estimate of Burden: The Foundation estimates that, on average, 90 minutes will be required to conduct each program staff interview (2 per institution) and 60 minutes will be required for each faculty or student focus group (6 participants per group per institution). The Foundation estimates a total of up to 33 hours to complete all program staff interviews and 132 hours to complete all faculty and student focus groups bringing the total burden hours to 165 for all respondents. A subset of respondents from the 11 institutions that received NSF AGEP support will be asked to participate.

Respondents: AGEP SBE program staff at 11 AGEP SBE institutions; SBE faculty at 11 AGEP SBE institutions and
