

or training and workfare. The Agriculture Act of 2014 (Pub. L. 113–79, Section 4022), authorized grants for up to 10 pilot sites to develop and rigorously test innovative SNAP E&T strategies for engaging more SNAP work registrants in employment, increasing participants' earnings and reducing reliance on public assistance.

Need and Use of the Information: An evaluation of the pilot sites will be critical in helping Congress and FNS identify strategies that effectively assist SNAP participants to succeed in the labor market and become self-sufficient. The data collected for this evaluation will be used for implementation, impact, participant and cost-benefit analyses for each pilot site.

CHEMICAL SAFETY AND HAZARD INVESTIGATION BOARD

Sunshine Act Meeting

TIME AND DATE: November 23, 2015, 1 p.m. EDT.

PLACE: U.S. Chemical Safety Board, 1750 Pennsylvania Ave. NW., Suite 910, Washington, DC 20006.

STATUS: Open to the public.

MATTERS TO BE CONSIDERED: The Chemical Safety and Hazard Investigation Board (CSB) will convene a public meeting on November 23, 2015, starting at 1 p.m. EDT in Washington, DC at the CSB offices located at 1750 Pennsylvania Avenue NW., Suite 910. The Board will discuss investigations and operational activities through the end of the calendar year and will also provide an update on CSB audits conducted by the EPA Inspector General. An opportunity for public comment will be provided.

Additional Information

The meeting is free and open to the public. If you require a translator or interpreter, please notify the individual listed below as the "Contact Person for Further Information," at least three business days prior to the meeting.

A conference call line will be provided for those who cannot attend in person. Please use the following dial-in number to join the conference: 1–888–862–6557, confirmation number 41154160.

The CSB is an independent federal agency charged with investigating accidents and hazards that result, or may result, in the catastrophic release of extremely hazardous substances. The agency's Board Members are appointed by the President and confirmed by the Senate. CSB investigations look into all aspects of chemical accidents and hazards, including physical causes such as equipment failure as well as inadequacies in regulations, industry standards, and safety management systems.

Public Comment

The time provided for public statements will depend upon the number of people who wish to speak. Speakers should assume that their presentations will be limited to three minutes or less, but commenters may submit written statements for the record.
