this extension notice available to the Commission.

Dated: November 10, 2003.

# Barbara E. Tillman.

Acting Deputy Assistant Secretary for Import Administration, Group III.

# Appendix—Petition on Processed Hazelnuts from Turkey

All of the information you provide on this sheet will be entered on the record of this investigation as business proprietary information.

1. Please provide the following information about your company:

#### Company name

Name and title of the company president, director or manager

Your name and title

**Business** address

Phone number

#### Facsimile number

2. Please check all that apply to describe the business activities of your company:

Processing of hazelnut kernels	
Importation of hazelnut kernels	
Sales of hazelnut kernels	
Other hazelnut kernel activities (please ex-	
plain)	

3. If your company imported hazelnut kernels between October 2002 and September 2003 and sold the imported kernels as is without any further processing, please provide the quantity imported in the hazelnut kernel equivalent in pounds. (Skip to question #5) Yes: Lbs. Quantity:

(Please answer question #4) No: 4. If your company processed hazelnuts during the period October 2002 to September 2003, please provide the quantity of hazelnuts processed from domestic and imported sources in the hazelnut kernel equivalent:

Type of product	Quantity in Ibs. (Imports)	Quantity in Ibs. (Domestic Sources)
Raw or natural		
Shelled		
Roasted		
Blanched		
Diced		
Sliced		
Meal		
Flour		
Butter		
Paste		
Croquant		
Other (please		
explain)		

Note: Make sure that you report only production quantity of the final marketed product. Please make sure that you do not double count the quantity of intermediate hazelnut products.

5. Is your company affiliated with a Turkish producer, manufacturer or exporter of hazelnuts?

# Yes

- 6. Does your company (please check one):
- A. Support this petition?
- B. Oppose this petition? C. Have no opinion?

## Announcing the First Symposium on **Building Trust and Confidence in** Voting Systems

**AGENCY:** National Institute of Standards and Technology (NIST), Commerce.

**ACTION:** Notice of public symposium.

SUMMARY: The Help America Vote Act of 2002 ("HAVA") tasks the National Institute of Standards and Technology with assisting the Election Assistance Commission in the development of voluntary voting system guidelines. The First Symposium on Building Trust and Confidence in Systems offers the election community an opportunity to initiate collaboration prior to the implementation of HAVA. Four panel discussions will focus on the following key issues for improving voting systems: Specification, testability and qualification; security and openness; usability and accessibility; next steps/consensus issues. A draft agenda and invited panelists for the Symposium will be available at the NIST Web site at: http://vote.nist.gov by November 15, 2003.

DATES: The Symposium will be held on December 10 and 11, 2003, from 8:30 a.m. to 5:30 p.m.

**ADDRESSES:** The Symposium will be held in the Red Auditorium, Building 101 at the National Institute of Standards and Technology, 100 Bureau Drive, Gaithersburg, Maryland.

FOR FURTHER INFORMATION CONTACT: Additional information and electronic registration is available at the NIST Web site *http://vote.nist.gov* or by contacting Kimberly Snouffer on 301-975-2776. Because of NIST security regulations, advance registration is required. There will be no same day, on-site registration.

Dated: November 5, 2003. Arden L. Bement, Jr., Director. [FR Doc. 03-28552 Filed 11-13-03; 8:45 am] BILLING CODE 3510-13-P

## National Fire Codes: Request for Proposals for Revision of Codes and Standards

**AGENCY:** National Institute of Standards and Technology, Commerce. ACTION: Notice.

**SUMMARY:** The National Fire Protection Association (NFPA) proposes to revise some of its fire safety codes and standards, and requests proposals from the public to amend existing, or begin the process of developing new, NFPA fire safety codes and standards. The purpose of this request is to increase public participation in the system used by NFPA to develop its codes and standards. The publication of this notice of request for proposals by the National Institute of Standards and Technology (NIST) on behalf of NFPA is being undertaken as a public service; NIST does not necessarily endorse, approve, or recommend any of the standards referenced in the notice.

DATES: Interested persons may submit proposals on or before the dates listed with the standards.

ADDRESSES: Casey C. Grant, Secretary, Standards Council, NFPA, 1 Batterymarch Park, Quincy, Massachusetts 02269–9101.

FOR FURTHER INFORMATION CONTACT:

Casey C. Grant, Secretary, Standards Council, at above address, (617) 770-3000.

# SUPPLEMENTARY INFORMATION:

#### Background

The National Fire Protection Association (NFPA) develops building, fire, and electrical safety codes and standards. Federal agencies frequently use these codes and standards as the basis for developing federal regulations concerning fire safety. Often, the Office of the Federal Register approves the incorporation by reference of these standards under 5 U.S.C. 552(a) and 1 CFR part 51.

#### **Request for Proposals**

Interested persons may submit proposals, supported by written data, views, or arguments to Casey C. Grant, Secretary, Standards Council, NFPA, 1

No

Batterymarch Park, Quincy, Massachusetts 02269–9101. Proposals should be submitted on forms available from the NFPA Codes and Standards Administration Office or on NFPA's Web site at *www.nfpa.org.* Each person must include his or her

Each person must include his or her name and address, identify the document, and give reasons for the proposal. Proposals received before or by 5 p.m. local time on the closing date indicated would be acted on by the Committee. The NFPA will consider any proposal that it receives on or before the date listed with the code or standard.

At a later date, each NFPA Technical Committee will issue a report, which will include a copy of written proposals that have been received, and an account of their disposition of each proposal by the NFPA Committee as the Report on Proposals. Each person who has submitted a written proposal will receive a copy of the report.

Document-edition	Document title	Proposal clos ing date
NFPA 1–2003	Uniform Fire Code	1/5/2004
NFPA 10–2002	Standard for Portable Fire Extinguishers	6/25/2004
NFPA 13–2002	Standard for the Installation of Sprinkler Systems	11/5/2004

# National Fire Codes: Request for Comments on NFPA Technical Committee Reports

**AGENCY:** National Institute of Standards and Technology, Commerce. **ACTION:** Notice.

**SUMMARY:** The National Fire Protection Association (NFPA) revises existing standards and adopts new standards twice a year. At its November meeting or its May meeting, the NFPA acts on recommendations made by its technical committees.

The purpose of this notice is to request comments on the technical reports that will be presented at NFPA's 2004 November meeting. The publication of this notice by the National Institute of Standards and Technology (NIST) on behalf of NFPA is being undertaken as a public service; NIST does not necessarily endorse, approve, or recommend any of the standards referenced in the notice.

**DATES:** Forty-three reports are published in the 2004 November Meeting Report

on Proposals and will be available on January 23, 2004. Comments received on or before April 2, 2004, will be considered by the respective NFPA Committees before final action is taken on the proposals.

ADDRESSES: The 2004 November Meeting Report on Proposals is available and downloadable from NFPA's Web site—*http://www/nfpa.org* or by requesting a copy from the NFPA, Fulfillment Center, 11 Tracy Drive, Avon, Massachusetts 02322. Comments on the report should be submitted to Casey C. Grant, Secretary, Standards Council, NFPA, 1 Batterymarch Park, P.O. Box 9101, Quincy, Massachusetts 02269–9101.

FOR FURTHER INFORMATION CONTACT: Casey C. Grant, Secretary, Standards Council, NFPA, 1 Batterymarch Park, Quincy, Massachusetts 02269–9101, (617) 770–3000.

# SUPPLEMENTARY INFORMATION:

#### Background

The National Fire Protection Association (NFPA) develops building, fire, and electrical safety codes and standards. Federal agencies frequently use these codes and standards as the basis for developing federal regulations concerning fire safety. Often, the Office of the Federal Register approves the incorporation by reference of these standards under 5 U.S.C. 552(a) and 1 CFR part 51.

Revisions of existing standards and adoption of new standards are reported

by the technical committees at the NFPA's November meeting or at the May meeting each year. The NFPA invites public comment on its Report on Proposals.

#### **Request for Comments**

Interested persons may participate in these revisions by submitting written data, views, or arguments to Casey C. Grant, Secretary, Standards Council, NFPA, 1 Batterymarch Park, Quincy, Massachusetts 02269-9101. Commenters may use the forms provided for comments in the Reports on Proposals. Each person submitting a comment should include his or her name and address, identify the notice, and give reasons for any recommendations. Comments received on or before April 2, 2004, for the 2004 November Meeting Report on Proposals will be considered by the NFPA before final action is taken on the proposals.

Copies of all written comments received and the disposition of those comments by the NFPA committees will be published as the 2004 November Meeting Report on Comments by September 24, 2004, prior to the November meeting.

A copy of the Report on Comments will be sent automatically to each commenter. Action on the reports of the Technical Committees (adoption or rejection) will be taken at the November meeting, November 13–17, 2004, in Miami Beach, Florida, by NFPA members.
