SUPPLEMENTARY INFORMATION: The Department will submit the proposed information collection to OMB for review, as required by the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35, as amended). This Notice is soliciting comments from members of the public and affected agencies concerning the proposed collection of information to: (1) evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information; (3) enhance the quality, utility, and clarity of the information to be collected; and (4) minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

This Notice also lists the following information:

Title of Information Collection:

OMB Approval Number: 2506–0183.

Type of Request: Extension of currently approved collection.

Form Number: HUD–40090–3a.

Description of the need for the information and proposed use: This submission is to request an extension of a currently approved collection for reporting burden associated with the Technical Submission phase of the Continuum of Care (CoC) Program Application. This submission is limited to the Technical Submission process under the CoC Program interim rule, as authorized by the HEARTH Act. Applicants who are successful in the CoC Program Competition are required to submit more detailed technical information before grant agreement. The information to be collected will be used to ensure that technical requirements are met prior to the execution of a grant agreement. The technical requirements relate to a more extensive description of the budgets for administration costs, timelines for project implementation, match documentation and other project specific documentation, and information to support the resolution of grant conditions. HUD will use this detailed information to determine if a project is financially feasible and whether all proposed activities are eligible. All information collected is used to carefully consider conditional applicants for funding. If HUD collects

less information, or collected it less frequently, the Department could not make a final determination concerning the eligibility of applicants for grant funds and conditional applicants would not be eligible to sign grant agreements and receive funding. To see the regulations for the CoC Program and applicable supplementary documents, visit HUD's Homeless Resource

Exchange page at <https://www.hudexchange.info/programs/coc/>. The statutory provisions and the implementing interim rule (also found at 24 CFR part 587) that govern the program require the information provided by the Technical Submission. *Respondents:* Applicants that are successful in the Continuum of Care Homeless Assistance Grant competition.

Estimated Number of Respondents: 750.

Estimated Number of Responses: 750.

Frequency of Response: 1 time annually.

Average Hours per Response: 8.

Total Estimated Burdens: The total number of hours needed for all reporting is 126,000 hours.

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

(1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) The accuracy of the agency's estimate of the burden of the proposed collection of information;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) Ways to minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

HUD encourages interested parties to submit comment in response to these questions.

C. Authority

Section 3507 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35.

Principal Deputy Assistant Secretary for Community Planning and Development, Marion McFadden, having reviewed and approved this document, is delegating the authority to electronically sign this document to submitter, Aaron Santa Anna, who is the Federal Register Liaison for HUD,
