#### American Racing Equipment, LLC, Denver, CO; Notice of Negative Determination on Remand

On January 8, 2010, the United States Court of International Trade (USCIT) granted the Department of Labor's request for voluntary remand to conduct further investigation in *Former Employees of American Racing Equipment, LLC v. United States Secretary of Labor* (Court No. 09-00288).

On April 6, 2009, the Department of Labor (Department) issued a Negative Determination regarding eligibility to apply for Trade Adjustment Assistance (TAA) and Alternative Trade Adjustment Assistance (ATAA) applicable to workers and former workers of American Racing Equipment, LLC, Denver, Colorado (the subject firm). (AR 49) The Department's Notice of negative determination was published in the **Federal Register** on June 25, 2009 (74 FR 3033). (AR 59.) The determination stated that the subject firm's affiliate did not import two piece wheels like or directly

competitive with those warehoused and wholesaled by the subject worker group. Additionally, the customers of the affiliate did not make import purchases of these articles in the period under investigation. (AR 50.)

By application dated April 25, 2009, the petitioner requested administrative reconsideration on the Department's negative determination. In the request for reconsideration, the petitioner alleged that the workers of the subject firm supported production of cast, one piece wheels and that the subject firm shifted production of these articles abroad and increased imports of these products. (AR 61-73.)

Because new information was provided by the petitioners that had not been previously considered, the Department issued a Notice of Affirmative Determination Regarding Application for Reconsideration for workers at the subject firm on May 11, 2009. (AR 76.) The Notice was published in the **Federal Register** on June 16, 2009 (74 FR 28552). (AR 79.)

In the request for reconsideration, the petitioner alleged that the workers of the subject firm supported production of cast, one piece wheels, that the subject firm shifted production of the cast, one piece wheels abroad, and that there was an increase in imports of these articles. (AR 62-64, 68-70.)

During the reconsideration investigation, the Department obtained additional information from the company official regarding the

petitioners' claims. The additional material, however, did not contain information sufficient to reverse the initial negative determination.

As a result of the reconsideration investigation, the Department issued a Notice of Negative Determination Regarding Application for Reconsideration on June 26, 2009. (AR 83-85) The determination stated that the Department did not find additional information pertaining to a shift in production or increased imports that contributed to the petitioners' separations. (AR 84, 85) On July 14, 2009, the Notice was published in the **Federal Register** (74 FR 34044). (AR 87, 88.)

In a letter to the Colorado Department of Labor, dated July 23, 2009, the Plaintiff appealed to the USCIT for judicial review. The Plaintiff stated that "the relevant period" for the investigation should have been identical to the relevant time period covered in TAA certifications TA-W-58,665 and TA-W-63,760 and based the appeal on "facts not considered" and misinterpretation of the facts.

On December 14, 2009, the Department requested the USCIT to grant its request for remand to investigate further the Plaintiffs' allegations. On January 8, 2010, the USCIT granted the Department's Motion for voluntary remand.

On May 18, 2009, the Department implemented the Trade and Globalization Adjustment Assistance
