SUPPLEMENTARY INFORMATION: As a result of a court order (U.S. District Court, Northern District of California), dated September 26, 2006, Case No. C-03-2509 SI, the BLM has prepared the Draft RAMP/EIS for the ISDRA and associated plan amendment to the CDCA.

The ISDRA project area encompasses approximately 200,000 acres of lands, approximately 150,000 acres of which are public lands bounded to the west by the Old Coachella Canal, to the east by the Union Pacific Railroad, to the north by Mammoth Wash, and to the south by Interstate 8 and the California/Mexico border. The primary activities in the ISDRA include off-highway vehicle use and camping. The Draft RAMP/EIS has been developed through a collaborative planning process and considers eight alternatives. Issues addressed in the Draft RAMP/EIS include: Recreation; transportation and public access; wildlife and botany; cultural resources and paleontology; renewable energy; water resources; geology and soils; mineral resources; socioeconomic; public health and safety; and visual resources.

The Draft RMP/EIS also considers the designation of two Areas of Critical Environmental Concern (ACEC), Plank Road and East Mesa. The preferred alternative would continue the 298-acre Plank Road ACEC to protect cultural resources and other resources values identified in the Draft RAMP/EIS. The preferred alternative would reduce the East Mesa ACEC from 6,454 acres to 5,799 acres, which overlaps the Planning Area. The East Mesa ACEC would continue to protect biological resources and other resource values identified in the Draft RAMP/EIS. The acreage of this ACEC varies by alternative. The preferred alternative would also remove the North Algodones Dunes ACEC, which encompasses 25,756 acres, in order to remove conflicting management prescriptions between this ACEC and the North Algodones Dunes Wilderness Area. Limitations on use of public lands

within the Plank Road ACEC include restrictions on wind and solar energy development, as well as geothermal leasing. Limitations on use of public lands within the East Mesa ACEC include restrictions on wind and solar energy development, as well as geothermal leasing that includes surface occupancy.

Notice of Proposed Withdrawal Extension and Opportunity for Public Meeting; Oregon

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The United States Forest Service (USFS) has filed an application with the Bureau of Land Management (BLM) that proposes to extend the duration of Public Land Order (PLO) No. 6876 for an additional 20-year term. PLO No. 6876 withdrew approximately 1,853.66 acres of National Forest System land from location and entry under the United States mining laws in order to protect scientific and ecological values, scenic and recreational values, and the investment of Federal funds at the Ashland Research Natural Area, the Jackson Campground Extension, and the Kanaka Campground. The withdrawal created by PLO No. 6876 will expire on September 9, 2011, unless extended. This notice also gives the public an opportunity to comment on the proposed action and to request a public meeting.

DATES: Comments and requests for a public meeting must be received by June 24, 2010.

ADDRESSES: Comments and meeting requests should be sent to the Oregon/Washington State Director, BLM, P.O. Box 2965, Portland, Oregon 97208-2965.

FOR FURTHER INFORMATION CONTACT: David Krantz, Rogue River-Siskiyou National Forest, (541) 618-2037, or Charles R. Roy, BLM Oregon/Washington State Office, (503) 808-6189.

SUPPLEMENTARY INFORMATION: The USFS has filed an application requesting that the Secretary of the Interior extend PLO No. 6876 (56 FR 46122 (1991)), which withdrew certain lands in Jackson County, Oregon, from location and entry under the United States mining laws (30 U.S.C. ch. 2) for an additional 20-year term, subject to valid existing rights.

The area described contains approximately 1,853.66 acres in Jackson County. PLO No. 6876 is incorporated herein by reference.

The purpose of the proposed withdrawal extension is to continue protecting scientific and ecological research values at the Ashland Research Natural Area and its scenic and recreation values, along with the investment of Federal funds at the Jackson Campground Extension and the Kanaka campground.

The use of a right-of-way, interagency agreement, or cooperative agreement would not provide adequate protection.

The Forest Service would not need to acquire water rights to fulfill the purpose of the requested withdrawal extension.

Records related to the application may be examined by contacting Charles R. Roy at the above address or phone number.

For a period of 90 days from the date of publication of this notice, all persons who wish to submit comments, suggestions, or objections in connection with the proposed withdrawal extension may present their views in writing to the BLM State Director at the address indicated above.

Comments, including names and street addresses of respondents, will be available for public review at the address indicated above during regular business hours.

Before including your address, phone number, e-mail address, or other personal identifying information in your comment, be advised that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold from public review your personal identifying information, we cannot guarantee that we will be able to do so. If you wish to withhold your name or address from public review or from disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your comments. Such requests will be honored to the extent allowed by law. All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organization or businesses, will be made available for public inspection in their entirety.

on the proposed withdrawal extension must submit a written request to the BLM State Director at the address indicated above by June 24, 2010. Upon determination by the authorized officer that a public meeting will be held, a notice of the time and place will be published in the **Federal Register** and in at least one local newspaper not less than 30 days before the scheduled date of the meeting.

The application will be processed in accordance with the regulations set forth in 43 CFR 2310.4.
