In a notice and letter to the  
Commissioner of Customs published in  
the **Federal Register** on May 12, 2000  
(65 FR 30571), the Government of the  
United States increased the limits for all  
quota categories as a result of the Royal  
Government of Cambodia's progress in  
improving working conditions in the  
Cambodian textile and apparel  
industries through increased  
compliance with internationally  
recognized core labor standards through  
the application of Cambodian labor law.  
The limits are being increased further  
because of Cambodia's continued efforts  
in this area.

A description of the textile and  
apparel categories in terms of HTS  
numbers is available in the
