Foreign-Trade Zones Board

[S–45–2023]

Foreign-Trade Zone 15—Kansas City, Missouri; Application for Expansion of Subzone 15E; Kawasaki Motors Manufacturing Corp., USA; Maryville, Missouri

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the Greater Kansas City Foreign-Trade Zone, Inc., grantee of FTZ 15, requesting an expansion of Subzone 15E on behalf of Kawasaki Motors Manufacturing Corp., USA, located in Maryville, Missouri. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a–81u), and the regulations of the FTZ Board (15 CFR part 400). It was formally docketed on March 9, 2023.

Subzone 15E was approved on November 27, 1989 (Board Order 454, 54 FR 50257, December 5, 1989). Production authority was expanded on January 20, 1999 (Board Order 1014, 64 FR 5765, February 5, 1999), on July 29, 2002 (Board Order 1239, 67 FR 51535, August 8, 2002) and on August 27, 2009 (Board Order 1643, 74 FR 46087–46088, September 8, 2009). The subzone currently consists of 113 acres located on U.S. Highway 71 in Maryville (Site 1).

The applicant is requesting authority to expand the subzone to include an additional site: Proposed Site 2 (18.47 acres)—2501 Boonslick Drive, Boonville. The existing subzone and the proposed site would be subject to the existing activation limit of FTZ 15. No additional authorization for production activity has been requested at this time.

In accordance with the FTZ Board's regulations, Camille Evans of the FTZ Staff is designated examiner to review

the application and make recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary and sent to: ftz@trade.gov. The closing period for their receipt is April 24, 2023. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to May 8, 2023.

A copy of the application will be available for public inspection in the “Online FTZ Information Section” section of the FTZ Board's website, which is accessible via www.trade.gov/ftz.

For further information, contact Camille Evans at Camille.Evans@trade.gov.

Dated: March 9, 2023.

Elizabeth Whiteman,

Acting Executive Secretary.

Foreign-Trade Zones Board

[B–53–2022]

Foreign-Trade Zone (FTZ) 126; Authorization of Production Activity; Tesla, Inc.; (Battery Products, Electric Motors, and Energy Storage Products); McCarren and Sparks, Nevada

On November 9, 2022, Tesla, Inc. submitted a notification of proposed production activity to the FTZ Board for its facilities within Subzone 126D, in McCarren and Sparks, Nevada.

The notification was processed in accordance with the regulations of the FTZ Board (15 CFR part 400), including notice in the **Federal Register** inviting public comment (87 FR 71298, November 22, 2022). On March 9, 2023, the applicant was notified of the FTZ Board's decision that no further review of the activity is warranted at this time. The production activity described in the notification was authorized, subject to the FTZ Act and the FTZ Board's regulations, including section 400.14.

Dated: March 9, 2023.

Elizabeth Whiteman,

Acting Executive Secretary.

Foreign-Trade Zones Board

[B–20–2023]

Foreign-Trade Zone (FTZ) 155, Notification of Proposed Production Activity; Caterpillar Inc.; (Construction and Earth Moving Machines); Victoria, Texas

Caterpillar Inc. submitted a notification of proposed production activity to the FTZ Board (the Board) for its facility in Victoria, Texas, within FTZ 155. The notification conforming to the requirements of the Board's regulations (15 CFR 400.22) was received on March 6, 2023.

Pursuant to 15 CFR 400.14(b), FTZ production activity would be limited to the specific foreign-status material(s)/component(s) and specific finished product(s) described in the submitted notification (summarized below) and subsequently authorized by the Board. The benefits that may stem from conducting production activity under FTZ procedures are explained in the background section of the Board's website—accessible via www.trade.gov/ftz. The proposed finished product(s) and material(s)/component(s) would be added to the production authority that the Board previously approved for the operation, as reflected on the Board's website.

The proposed finished products include front-end shovel loaders, landfill compactors, and wheel dozers (duty rates are duty-free).

The proposed foreign-status materials and components include: additives (coolant; hydraulic oil); refrigerants; diesel exhaust fluids; polyester-based paints; lubricant oils; rust preventative coatings; plastic components (seals; tapes; storage envelopes and protective covers; knobs; handles; latches; thrust discs; covers for connectors; shields for engines; hoses and hose assemblies); rubber components (tires; tires with steel rims); paper labels; man-made fiber ribbons; nylon protective sleeves for wire harnesses; polyester components (protective sleeves for sensors; webbing straps with plates); felt filters for water pumps; steel components (gaskets; slugs; flanges; couplings; elbows; connectors; cables; chains; wire links; fastener block bosses; brackets for wiring; support assemblies; angles for frame assemblies; baffles; blocks (for tanks; hardware; arms; fasteners; bumpers; frames of machines); bearing caps; channels for frames; columns for frames; covers for valve mountings; drawbars; elbows and elbow assemblies for turbo lines; tube fillers and filler
