2318, Chairman Julius Genachowski announced the establishment and appointment of members and Co-Chairpersons of the EAAC, an advisory committee required by the Twenty-First Century Communications and Video Accessibility Act (CVAA), Public Law 111–260, which directs that an advisory committee be established for the purpose of achieving equal access to emergency services by individuals with disabilities as part of our nation's migration to a national Internet protocol-enabled emergency network, also known as the next generation 9–1–1 system (NG 9–1–1). The purpose of the EAAC is to determine the most effective and efficient technologies and methods by which to enable access to NG 9–1–1 emergency services by individuals with disabilities. The EAAC recommendations were submitted to the FCC, in compliance with the CVAA's statutory mandate, by December 7, 2011.
