

1. FAR 31.205–6(q)(2)(i) is deleted in its entirety to reflect the amendments promulgated by the CAS Board on May 1, 2008.

2. FAR 31.205–6(q)(2)(ii) through (vi) are redesignated as paragraphs FAR 31.205–6(q)(2)(i) through (v) due to the deletion of the existing FAR 31.205–6(q)(2)(i).

3. Redesignated FAR 31.205–6(q)(2)(i) is revised to reflect the amendments promulgated by the CAS Board on May 1, 2008.

This is not a significant regulatory action and, therefore, was not subject to review under Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

### B. Regulatory Flexibility Act

The Councils do not expect this interim rule to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because affected small businesses are currently required to comply with CAS 412 and CAS 415. While small businesses are otherwise not subject to CAS, they are subject to selected standards for the purpose of determining allowability of costs under Government contracts. Among these standards are CAS 412 and CAS 415 as set forth in FAR 31.205–6(q). For small businesses currently using CAS 415, there will be no increase in cost or effort. For small businesses that must change from CAS 412 to CAS 415, the possible change from measuring costs in accordance with CAS 412 to CAS 415 would result, at most, in a negligible increase in administrative burden because of the similarities between CAS 412 and 415. The potential increase of administrative effort, albeit minor, will be offset by the uniformity and consistency in accounting for deferred compensation costs achieved by this rule that will benefit all entities by reducing their administrative burden. Therefore, an Initial Regulatory Flexibility Analysis has not been performed. The Councils invite comments from small business concerns and other interested parties on the expected impact of this rule on small entities.

The Councils will also consider comments from small entities concerning the existing regulations in FAR part 31 affected by this rule in accordance with 5 U.S.C. 610. Interested parties must submit such comments separately and should cite 5 U.S.C. 610 (FAC 2005–42, FAR Case 2009–026) in all correspondence.

### C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the changes to the FAR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. chapter 35, *et seq.*

### D. Determination to Issue an Interim Rule

A determination has been made under the authority of the Secretary of Defense, the Administrator of General Services, and the Administrator of the National Aeronautics and Space Administration that urgent and compelling reasons exist to promulgate this interim rule without prior opportunity for public comment. This action is necessary because this rule implements a final rule promulgated by the CAS Board, which went into effect on June 2, 2008. Further, the CAS Board rule already gone through the public rulemaking process. However, pursuant to Public Law 98–577 and FAR 1.501–3(b), the Councils will consider public comments received in response to this interim rule in the formation of the final rule.

**SUPPLEMENTARY INFORMATION:**

**A. Background**

This interim rule incorporates changes from the Department of Labor's (DOL) final rule, *Protecting the Privacy of Workers: Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction*, published in the **Federal Register** at 73 FR 77504 on December 19, 2008, that removed the requirement to submit complete social security numbers and home addresses of individual workers in weekly payroll submissions. The DOL concluded that such disclosure of personal information from the prime contractor was unnecessary and created an increased risk of privacy violations.

**B. Discussion**

As a result of the changes that DOL instituted regarding the submission of payroll data, the clause at FAR 52.222-8, *Payrolls and Basic Records*, is revised to delete the requirement for submission of full social security numbers and home addresses of individual workers from the prime contractor on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The information may be submitted in any form desired, but this rule provides a link to the DOL's Wage and Hour Division website where Optional Form WH-347 is available for the purpose of submitting payroll information. The rule requires contractors and subcontractors to maintain the full social security number and current address of each covered worker, and shall provide them upon request to the contracting officer, the contractor, or the Wage and Hour Division of the DOL for purposes of an investigation or audit of compliance with prevailing wage requirements.

This is not a significant regulatory action and, therefore, was not subject to review under Section 6(b) of Executive Order 12866, *Regulatory Planning and Review*, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

**C. Regulatory Flexibility Act**

The Councils do not expect this interim rule to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because this rule provides relief for contractors from submitting more personal information than is necessary in the weekly payroll submissions and will not impose any measurable costs on contractors. Therefore, an Initial Regulatory Flexibility Analysis has not been performed. The Councils invite comments from small business concerns and other interested parties on the expected impact of this rule on small entities.

The Councils will also consider comments from small entities concerning the existing regulations in parts affected by this rule in accordance with 5 U.S.C. 610. Interested parties must submit such comments separately and should cite 5 U.S.C. 610 (FAC 2005-42, FAR Case 2009-018) in all correspondence.

**D. Paperwork Reduction Act**

The Paperwork Reduction Act does apply; however, these changes to the FAR do not impose additional information collection requirements to the paperwork burden previously approved under the Office of Management and Budget (OMB) Control Number 1215-0149, assigned to the DOL. The interim rule affects the certification and information collection requirements in the provisions at FAR 52.222-8(b)(1) and 53.303-WH-347. The impact of this requirement will not impose any measurable costs on any private or public sector entity. As stated in the DOL rule, the Department believes that a reduction in the amount of information required on certified payrolls provided weekly under the Davis-Bacon Act is a reduction in regulatory compliance costs. While some contractors may have to slightly reconfigure their systems to produce the revised version, most have access to computerized systems that can easily be revised to remove data. Those contractors who currently use the Optional Form WH-347 will actually have an overall decrease of total administrative costs. The DOL published a notice in the **Federal Register** at 74 FR 2862 on January 16, 2009, announcing that the OMB approved the DOL information collection request titled "Protecting the Privacy of Workers: Labor Standards Provisions Applicable to Contracts Covering Federally Financed and

Assisted Construction, Effectiveness of Information Collection Requirements".

**E. Determination to Issue an Interim Rule**

A determination has been made under the authority of the Secretary of Defense (DoD), the Administrator of General Services (GSA), and the Administrator of the National Aeronautics and Space Administration (NASA) that urgent and compelling reasons exist to promulgate this interim rule without prior opportunity for public comment. This action is necessary because the DOL has already published a final rule in the **Federal Register** at 73 FR 77504 on December 19, 2008, deleting the requirement for submission of full social security numbers and home addresses of employees as part of weekly payroll submissions for prime contractors. The effective date of the DOL rule was January 18, 2009. However, pursuant to Public Law 98-577 and FAR 1.501-3(b), the Councils will consider public comments received in response to this interim rule in the formation of the final rule.

■ Therefore, DoD, GSA, and NASA amend 48 CFR parts 52 and 53 as set forth below:

■ 1. The authority citation for 48 CFR parts 52 and 53 continues to read as follows:

**Authority:** 40 U.S.C. 121(c); 10 U.S.C. chapter 137; and 42 U.S.C. 2473(c).

**PART 52—SOLICITATION PROVISIONS AND CONTRACT CLAUSES**

PAYROLLS AND BASIC RECORDS (JUN 2010)

\* \* \* \* \*

(b)(1) The Contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to the Contracting Officer. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under paragraph(a) of this clause, except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an

individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose and may be obtained from the U.S. Department of Labor Wage and Hour Division website at <http://www.dol.gov/whd/forms/wh347.pdf>. The Prime Contractor is responsible for the submission of copies of payrolls by all subcontractors.

Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to the Contracting Officer, the Contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this section for a Prime Contractor to require a subcontractor to provide addresses and social security numbers to the

Prime Contractor for its own records, without weekly submission to the Contracting Officer.

While completion of Form WH-347 is optional, it is mandatory for covered contractors and subcontractors performing work on Federally financed or assisted construction contracts to respond to the Information collection contained in 29 C.F.R. §§ 3.3, 5.5(a). The Copeland Act (40 U.S.C. § 3145) requires contractors and subcontractors performing work on Federally financed or assisted construction contracts to "furnish weekly a statement with respect to the wages paid each employee during the preceding week." U.S. Department of Labor (DOL) regulations at 29 C.F.R. § 5.5(e)(3)(iii) require contractors to submit weekly a copy of all payrolls to the Federal agency contracting for or financing the construction project, accompanied by a signed "Statement of Compliance" indicating that the payrolls are correct and complete and that each laborer or mechanic has been paid not less than the proper Davis-Bacon prevailing wage rate for the work performed. DOL and federal contracting agencies receiving this information review the information to determine that employees have received legally required wages and fringe benefits, or otherwise
