SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–101283; File No. 4–844]

Self-Regulatory Organizations; MIAX Sapphire, LLC; Notice of Filing of Proposed Minor Rule Violation Plan

October 8, 2024.

Pursuant to Section 19(d)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19d–1(c)(2) thereunder,² notice is hereby given that on October 1, 2024, MIAX Sapphire, LLC (“Sapphire” or the “Exchange”) filed with the Securities and Exchange Commission (“Commission”) a proposed minor rule violation plan (“MRVP”) with sanctions not exceeding \$2,500 which would not be subject to the provisions of Rule 19d–1(c)(1) of the Act³ requiring that a self-regulatory organization (“SRO”) promptly file notice with the Commission of any final disciplinary action taken with respect to any person or organization.⁴ In accordance with Rule 19d–1(c)(2) under the Act,⁵ the Exchange proposes to designate certain specified rule violations as minor rule violations, and requests that it be relieved of the prompt reporting requirements regarding such violations, provided it gives notice of such violations to the Commission on a quarterly basis.

The Exchange proposes to include in its MRVP the procedures and violations currently included in Exchange Rule 1014 (“Imposition of Fines for Minor

Rule Violations”).⁶ According to the Exchange’s proposed MRVP, under Rule 1014, the Exchange may impose a fine (not to exceed \$2,500) on any Member, or person associated with or employed by a Member, for any rule violation listed in Rule 1014(d).⁷ The Exchange shall serve the person against whom a fine is imposed with a written statement setting forth the rule or rules allegedly violated, the act or omission constituting each such violation, the fine imposed for each violation, and the date by which such determination becomes final or by which such determination must be paid or contested. If the person against whom the fine is imposed pays the fine, such payment shall be deemed to be a waiver of such person’s right to a disciplinary proceeding and any review of the matter under the Exchange rules. Any person against whom a fine is imposed may contest the Exchange’s determination by filing with the Exchange a written answer, at which point the matter shall become a disciplinary proceeding.

The Exchange proposes that, as set forth in Exchange Rule 1014(d), violations of the following rules would be appropriate for disposition under the MRVP: Rule 307 (Position Limits); Rule 803 (Focus Reports); Rule 804 (Requests for Trade Data); Rule 520 (Order Entry); Rule 605 (Execution of Orders in Appointed Options); Rule 314 (Mandatory Systems Testing); Rule 700 (Exercise of Option Contracts); Rule 309 (Exercise Limits); Rule 310 (Reports Related to Position Limits); Rule 403 (Trading in Restricted Classes); Rule 605 (Market Maker Quotations); Rule 1904 (Failure to Timely File Amendments to Form U4, Form U5, and Form BD); and Rules 1701–1713 (Failure to Comply with the Consolidated Audit Trail Compliance Rule Under Chapter XVII). The Exchange states that it is specifically excluding Rule 1014(d)(4), Conduct and Decorum Policies, from this filing.

Upon the Commission’s declaration of effectiveness of the MRVP, the Exchange will provide to the Commission a quarterly report for any actions taken on minor rule violations under the MRVP. The quarterly report will include: the disposition date, the name of the firm/individual, the Exchange’s internal enforcement number, the review period,

the nature of the violation type, the number of the rule that was violated, the number of instances the violation occurred, and the sanction imposed.

Based on compliance with the above, the Exchange requests that the rule violations designated in Rule 1014(d) be designated as minor rule violations subject to a minor rule violation reporting plan and that the Exchange be relieved of the current reporting requirements regarding such violations. In addition, going forward, to the extent that there are any changes to the rules applicable to the Exchange’s MRVP, the Exchange requests that the Commission deem such changes to be modifications to the Exchange’s MRVP.

I. Solicitation of Comments

II. Date of Effectiveness of Proposed Minor Rule Violation Plan and Timing for Commission Action

Pursuant to Section 19(d)(1) of the Act and Rule 19d–1(c)(2) thereunder,⁸ after November 5, 2024, the Commission may, by order, declare the Exchange's proposed MRVP effective if the plan is consistent with the public interest, the protection of investors, or otherwise in furtherance of the purposes of the Act. The Commission in its order may restrict the categories of violations to be designated as minor rule violations and may impose any other terms or conditions to the proposed MRVP, File No. 4–844, and to the period of its effectiveness, which the Commission deems necessary or appropriate in the public interest, for the protection of investors or otherwise in furtherance of the purposes of the Act.
