

requires, among other things, that NASD rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and in general, to protect investors and the public interest. NASD believes that the proposed rule change is designed to accomplish these ends by giving regulators and clearing firms the ability to determine whether data being reported to clearing firms belongs to an introducing firm or a piggybacking firm. The proposed rule change will enable NASD staff to more clearly identify data being reported to NASD for purposes of NASD's NEP Surveillance and, in those instances where an introducing firm enters a SIPC liquidation, will help to facilitate an orderly liquidation.

B. Self-Regulatory Organization's Statement on Burden on Competition

NASD does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

- (B) institute proceedings to determine whether the proposed rule change should be disapproved.
